ABOUT

VIJAY PATIL SCHOOL OF MANAGEMENT

Established in 2021-22, VPSM offers cutting-edge MBA and BBA programs designed to bridge the gap between academic learning and industry expectations. With a curriculum inspired by top global B-schools, the programs emphasize experiential learning, live projects, and new-age technology integration. The MBA follows a trimester format (102 credits), while the BBA follows a semester structure (minimum 40 credits per year), both structured to build strong management fundamentals and practical skills.

What sets VPSM apart is its world-class faculty—an expert mix of academicians and seasoned professionals—along with visiting professors from institutions like the IIMs. Students benefit from an immersive campus experience supported by state-of-the-art facilities: a multi-floor Learning Resource Centre, modern computer labs, auditoriums, an incubation center, and collaborative spaces like the transverse garden.

Beyond academics, VPSM nurtures holistic development through career support, industry interactions, fireside chats, and intensive bootcamps. A vibrant student life is led by a dynamic Student Council with committees handling cultural events, sports, public relations, hospitality, alumni engagement, finance, and literary activities—fostering leadership, creativity, and collaboration. Initiatives like D-CAL (Climate Action Lab), led by Ms. Rajlakshmi Vijay Patil, reflect VPSM's commitment to sustainability and social responsibility.

Flagship events such as HR NEXUS 2024 and the International Research Conference (June 2024) showcase the school's focus on thought leadership and global engagement—both organized entirely by students. VPSM's mission goes beyond traditional education by promoting lifelong learning, cultural values, and impactful research, making it the ideal choice for aspiring leaders ready to shape the future.

ABOUT

CORPORATE RELATIONS CELL

VISION

To champion exceptional career opportunities and foster holistic growth, preparing students for global leadership in an ever-evolving business landscape.

MISSION

To empower students with exceptional career opportunities focused on long-term professional success. We prepare students for industry excellence and holistic development through robust career support, cultivating professional growth and leadership in a global business environment.

Core Values – V-RISE:

- V** – Versatility: Adapting to evolving student needs and market trends.
- R** – Resilience: Overcoming challenges and pursuing excellence in career outcomes.
- I** – Integrity: Practicing transparency and ethical conduct.
- S** – Support: Offering strong mentorship, industry ties, and career development.
- E** – Excellence: Securing top placements, engaging HR leaders, and fostering leadership.

Led by industry experts, the VPSM Placement Committee bridges academia and the corporate world. Our approach is centered around five pillars: Industry Alignment, Holistic Development through workshops and soft-skill training, Strategic Networking with alumni and professionals, Experiential Learning via internships, and Lifetime Support through career guidance and mentorship. With a data-driven mindset and an unwavering focus on excellence, we prepare our students to thrive in a competitive job market.

PLACEMENT TRAINING

PLACEMENT PROCESS AT VPSM

The placement process at VPSM is strategically designed to align with industry needs and ensure thorough preparation. It begins with core subject training for all students, creating a strong, uniform foundation. Students are then segmented by specialization for focused, subject-specific training that deepens expertise within their domains. The structured process typically starts in September and spans two weeks, depending on company participation. Continuous support—including assessments, feedback, and additional resources—is provided throughout to ensure students are placement-ready.

TRAINING AT VPSM

➤ Excel Training

Students gain hands-on expertise in Excel, covering key functions like formulas, pivot tables, VLOOKUP, and data visualization—essential for business analytics.

➤ Power BI Training

Students learn to connect data, build dashboards, model data using DAX, and derive actionable insights—enabling data-driven decision-making.

➤ Mock Interview Training

Practice interviews help enhance communication, build confidence, and prepare students to navigate tough questions and present themselves effectively.

➤ Group Discussion Workshop

This workshop builds articulation, teamwork, and active listening skills through real-time discussions and collaborative problem-solving.

➤ Resume Building Workshop

Students learn to craft professional, ATS-optimized resumes that effectively showcase their strengths and achievements.

➤ Behavioural Interview Training

Using the STAR method, students learn to frame past experiences to highlight competencies, leadership, and problem-solving skills.

MESSAGE FROM THE DIRECTOR

It gives me great pleasure to pen this message for the Placement brochure of the SSENS. The BSS program is a unique course for aspiring Sports scientists to gain a basic qualification in Sports Sciences. The school has tied up with several institutes of repute for on the job training of our graduates where they work with world class coaches and athletes, gaining valuable practical knowledge and skills. The school hopes to kindle interest in the students' minds, to specialise at the Masters level in Exercise Physiology, S & C, Sports Nutrition, Biomechanics and Sports Psychology etc. All the best to our students and faculty and I wish you Godspeed.

-COL. Dr. ANUP KRISHNAN (Retd.)

Unlock Your Future: Placement Opportunities at the SSENS

At DY Patil University, we are dedicated to fostering talent in the fields of sports science, exercise physiology, and nutrition. Our comprehensive programs blend theoretical knowledge with practical application, preparing students for a successful career in these dynamic industries.

Our Programs

- Bachelor in Sports Science
- Masters in Sports Science
- Masters in Clinical Nutrition & Nutraceuticals
- PhD in Sports Sciences

Why choose us?

- Industry Connections: Collaborations with top sports organizations and health institutions.
- Career Support: Dedicated placement cell offering personalized guidance and resources.
- Internship Opportunities: Hands-on experience with leading companies in sports and nutrition.

Recent Recruiters

- Sports Authority of India
- PhysioQinesis
- Grand Slam fitness
- WYZ
- STR10

PLACEMENT HIGHLIGHTS

- Organisational Visit by PhysioQinesis for campus placement
- Highest annual package: 4.2 LPA at PhysioQinesis

- Diverse Career Paths: Opportunities in: Sports Management, Fitness and Wellness, Nutrition and Dietetics, Corporate Health Programs
- Internship Opportunities: Strong industry partnerships provide valuable internships, often leading to full-time roles.
- Networking Events: Regular job fairs and networking sessions connect students with top employers.
- Practical Experience: Hands-on training ensures students are job-ready with essential skills.

Career Services Offered

- Resume and Cover Letter Workshops
- Mock Interviews and Interview Skills Training
- Networking Events with Industry Leaders
- Job Fairs and Placement Drives
- Personalized Career Counseling

MESSAGE FROM THE CHANCELLOR

Dr. Vijay Patil
Chancellor

“The progress of future generations is defined by the world we choose to create for them and the best way to empower the youth would be to develop an ecosystem that offers opportunities for them to learn, grow and excel. Our University has constantly strived to achieve this by providing state of the art infrastructure, excellent faculty, sound curriculum and research opportunities. The DYPU School of Public Health established in the year 2021 has been envisaged as a school of distinction with a focus on insightful pedagogy, impactful research and meaningful community engagement. The school has been strategically located at the centre of excellence that also houses the schools of management, law and creative studies. These disciplines have the unique opportunity to collaborate and co create exciting new courses, carry out interdisciplinary research and contribute to public policy. With state of the art infrastructure, dynamic faculty and a thoughtfully curated globally relevant curriculum the school of public health is poised for great growth. I wish the school the very best in its endeavour to train competent and skilled public health leaders of tomorrow.”

MESSAGE FROM THE PRO - CHANCELLOR

Dr. Shivani Patil
Pro-Chancellor

“The DY Patil Deemed to be University is dedicated to creating an optimal learning environment for students and providing growth opportunities for both teaching and non-teaching staff, ultimately fostering social mobility within the community.

The University holds the belief that every child has the potential for greatness, given the right support to unlock their true capabilities. The future of our nation and the world rests in the hands of our youth, and it is our duty to support them comprehensively in building the future they envision.

Our School of Public Health is an initiative aimed at training the health leaders of tomorrow with the right skills and attitude. We aspire for it to become a significant force in the vast ocean of opportunities available to students from India and around the globe. In a rapidly changing world that urgently needs new ideas and leadership, our mission is to cultivate students committed to making a positive impact, empower educators to deliver exceptional learning experiences, and create an inspiring environment that responds to the world’s urgent call for innovation and leadership.”

MESSAGE FROM THE VICE - CHANCELLOR

Dr. Vandana Mishra Chaturvedi

I/C Vice Chancellor

“Education is the most powerful weapon which you can use to change the world! We, at the University are sincerely focused on understanding and catering to the needs of the students in a highly competitive world. All our programmes are designed with an emphasis on personalized guidance and care by highly experienced academicians and well qualified instructors.

As a student, you will obtain in depth knowledge that will equip you in realising your dreams. Beyond academics, the serene surroundings help students to focus on their spiritual and mental wellbeing. The campus is well equipped for physical training, sports and outdoor activities. The students can indulge in various fests, contests, competitions and activities to keep themselves active and entertained. Our unique supportive system will provide access to academic mentoring, career counselling, platforms for collaborative learning and above all, recognition for those who strive to excel.”

MESSAGE FROM THE DEAN

Dr. Suma Nair
Professor & Dean

Welcome to the DY Patil University School of Public Health (DYPSPH), Navi Mumbai. DYPSPH was established in the year 2021 with a view to provide globally relevant public health education in the country. Backed by the DYPU stamp of quality and proposed as a centre of excellence, the school is supported by state-of-the-art infrastructure, excellent faculty and is instituted on the tripod of cutting-edge pedagogy, impactful research and community engagement.

This Placement Brochure comprehensively outlines the details of our program, the internship and placement procedure and the various student activities and internships that have taken place so far. Our students are immersed in an enabling infrastructure and exceptional faculty. We believe in shaping professionals who not only excel in their field but also contribute meaningfully to the community.

Our unique approach blends academics with a range of extracurricular activities, ensuring that our graduates emerge not only as highly skilled professionals but also as confident and well-rounded individuals. As potential job recruiters, we invite you to explore the diverse skill set and knowledge that our students bring to the table.

I am confident that the graduates from DYPSPH would be valuable additions to your team, bringing with them a commitment to excellence, a passion for public health, and a track record of academic and practical achievements. We welcome the opportunity to connect and discuss how our graduates can contribute to the success of your organization.

MESSAGE FROM THE FACULTY CO-ORDINATOR

Dr. Shaveta Menon

Faculty Co-ordinator

Career & Placement Cell (CAP)

Collaborations and co-partnerships in the area of public health are seen as a critical component with an increased emphasis on research and development. The Career and Placement Cell has been trying to foster these collaborations in order to make the learning process in the school more aligned with the needs of the industry and prepare a skilled workforce ready to advance in the discipline of public health.

We at the School of Public Health are committed in providing a world-class learning environment for our students which aligns with the larger good of the society. The Career and Placement Cell conducts various activities which align the learning of the students with contemporary innovations in the field of Public Health. In addition, several new courses are introduced as per the recent advances in the area of Public Health, to ensure that our students remain relevant in the academic and job market. This rigor in academic approach to public health through classroom and field learning prepares students to equally address the opportunities and challenges which come their way.

Since the field of Public Health is interdisciplinary, the faculty at DY Patil School of Public Health makes use of varied teaching techniques to accommodate students from diverse academic backgrounds.

At the School of Public Health, we are also passionate in training students in leadership qualities keeping the values and ethics of the discipline intact. In the past, various organizations have lauded our efforts to produce batches of well-informed and trained public health professionals.

We excitedly look forward to your engagement with us in order to make the world a better place through socially relevant approaches to health.

We therefore extend a warm invitation to your esteemed organization to interact with our 2022-24 batch for their placement.

ABOUT DYPU

Nestled in the picturesque campus at Nerul in Thane district of Navi Mumbai, DY Patil Deemed to be University (DYPU) is synonymous with excellence in higher education. Since its establishment 22 years ago DYPU has made groundbreaking changes in the area of higher education and witnessed exceptional growth and rewarding success of students and faculty. The vision of the university has been to provide quality education in all spheres of higher learning and healthcare services in India. The university believes in creating the pioneers of tomorrow, who follow a vision of transforming India into a global platform for education, healthcare, and sports. With nearly 15,000 students walking out of its portals every year, DYPU boasts of a shining network of alumni who stand testimony to the University's ideals. Each one of them is the beacon bearer of the society, who will change the face of this world with passion, dedication, and willpower.

Vision

Aligning with its vision and guiding principles, DY Patil Deemed to be University (DYPU) designs the academic programmes to impact and disseminate knowledge, develop competencies and undertake research and development in the emerging areas of Health Sciences, Science & Technology, Business Management, Hospitality, Law, Public Health, Creative Studies and Sports.

Mission

The vision of DY Patil Deemed to be University (DYPU) is to deliver excellence across all realms of higher education and healthcare services to all, including those in rural and urban areas of the nation, keeping in view the evolving societal needs within the global landscape.

ABOUT DYPSPH

Functioning from its state-of-the-art campus at Navi Mumbai, DY Patil School of Public Health (DYPSPH) is one of the constituent units of DY Patil Deemed to be University (DYPU). In keeping with its vision of offering world class education and facilities to students and faculty, DYPU established the School of Public Health in the year 2021 in the background of the raging pandemic when the need for an energised public health system was ever so evident. Over the last three years the school has grown in stature and currently offers specialised programmes at both the undergraduate and postgraduate levels.

In addition to a real – world immersive learning experience, blended learning opportunity and well- equipped faculty, some of the distinctive features of the school are:

Insightful pedagogy: A multidisciplinary approach offered through a globally relevant curriculum, using innovative techniques.

Impactful research & practice: The school is committed to protecting and promoting health through socially relevant research and meaningful community engagement. Towards this the school is in the process of establishing a birth cohort among the marginalised population that will provide insight into life course epidemiology of Non-Communicable Diseases (NCDs) thus educating the next generation of public health leaders

DYPSPH Navi Mumbai Health Initiative: An initiative to tackle critical 21st century health challenges in the region like gender sensitivity, health equity, road traffic accidents and mental health in collaboration with local leaders and NGOs.

Cutting Edge Facilities: The Centre of Excellence building that houses the School of Public Health features state of the art labs, smart classrooms with hybrid learning technology and seamless virtual exchange capabilities. These aid in enhancing collaboration among researchers, practitioners and students across the globe.

In a nut shell DYPSPH combines pedagogy, innovation, and collaboration to address pressing public health issues that influence health and wellbeing of the population at large

As of 2024 the school has 5 Divisions namely - Division of Epidemiology & Population health; Health Systems & Social Sciences; Division of Policy & Governance, Health & Society; Division of Public Health Social Work; Division of Environment, Health and Society

The School offers the following post-graduate programmes:

1. **Master of Public Health (MPH)**
2. **Executive Master of Public Health (E MPH) for working professionals**
3. **Master of Public Policy (MPP)**
4. **PhD in Public Health**

Apart from the above- mentioned programmes the school also offers undergraduate programmes in the following fields:

1. **Bachelor of Public Health (BPH)**
2. **BSc Environment and Sustainability (BSc -ES)**

The School actively engages in research and has also forged meaningful collaborations with some of the top ranked institutions in the country and outside. This has resulted in collaborative research grants and joint publications. Besides, the School also provides consultancy services for capacity building and knowledge enhancement within the healthcare sector.

STUDENT INITIATIVES

MPH students have initiated two **STUDENT CLUBS** that showcase the spirit of public health. Activities conducted through these clubs go beyond textbooks and bring about real world learning and a sense of camaraderie among the students.

1. Historians – the Public Health History Club

Launched on 5.7.2023 on the anniversary of small pox eradication in the country, a public health milestone.

Aims and objectives:

- To encourage interest in public health history
- To enhance reading and research skills
- To be able to apply historical knowledge in tackling present day health events
- To identify and develop case studies from major historical health events

- To review and analyse journal articles, blogs, etc.
- To develop logs/timelines of important public health events
- To study the evolution of health events, policies, acts and programmes

Activities:

- Quizzing
- Short film competitions
- Field trips to various sites showcasing public health history
- Collaboration with other clubs in the university to host combined events and activities

Proposed Outcomes:

- Exposure and spreading awareness of public health history
- Inter-institutional collaboration and exposure to new thoughts and ideas
- To establish social media footprint
- An avenue for presentation of papers and project

2. Health Bytes – the health promotion club

Launched on: 22.10.2023 on the University founders day

Meeting frequency: Once a month (Second Friday of the month), 3-5 PM Participation certificates for student members

Aims and Objectives:

- Creating public health awareness in the community
- Promote health literacy in the population
- Observing health days of public health importance
- To enhance reading and research skills

Activities:

- Content creation
- Short film competitions
- Field trips and community outreach to the marginalised communities to promote health literacy
- Collaboration with other clubs in the university to host combined events and activities

Proposed Outcomes:

- Exposure and spreading awareness of public health problems of significance
- Inter-institutional collaboration and exposure to new thoughts and ideas
- To establish social media footprint
- An avenue for presentation of papers and project

3. Samabhav International Film festival

International Film festival as a part of the health promotion club activity was conducted on 28th and 29th of February 2024 in association with the film club of the school of creative studies and MAVA (Men against violence & Abuse)

SAMABHAV

An exciting 2 days film festival
On gender equity, diversity & inclusion
Screening of outstanding films and interaction with experts

28 - 29 FEB 2024
10: 00 AM TO 5:30 PM

Venue: Audi 1, Town Hall Foyer, Centre of Excellence
D Y Patil Deemed to be University, Nerul

Open to all DYPU students & faculty

The Samabhav International Film Festival, held on February 28th and 29th, 2024, explored the theme of 'Gender, Equity, Diversity, and Inclusion' in collaboration with Men against Violence and Abuse. The event aimed to sensitize participants on gender equity, diversity, and inclusion through film.

Day one focused on gender inclusivity in social and physical spaces, addressing patriarchal norms and the struggles of men and women. Day two highlighted the challenges faced by individuals of alternate sexualities, emphasizing acceptance and equal rights.

The festival concluded with a call to challenge entrenched gender norms for a more equitable society. Key participants included Mr. Harish Sadani, Ms. Rashmi Lamba, Dr. Lakshmi Lingam, Ms. Monika Sakhrani, Mr. Altamash Khan, Mr. Pravin Thote, and filmmakers such as Mr. Ajitesh Sharma, Mr. Digvijay Andhorikar, Mr. Vismay Kamate, Mr. Brahmanand Siingh, and Ms. Vasundhara Jadhav.

4. One Health Workforce Capacity Building for Clinicians

Date: 07.12.2022

As part of the 11th Annual National Conference of Consortium Against Rabies, pre conference workshop was organised on 'One Health Workforce Capacity Building for Clinicians'. The programme was organised in collaboration with Center for One Health Education, Research & Development (COHERD), Indian Institute of Public Health Gandhinagar (IIPHG), Gandhinagar. The basic concepts of One Health and its implications, basics of risks from One Health perspective & risk from emerging and epidemic-prone diseases were discussed in the capacity building workshop.

5. Fulbright Fellowships: Familiarisation Programme

23-02-2024

Ms. Suranjana Das, Programme and Alumni Manager at USIEF Fulbright Commission in India discussed about the various fellowships available under United States – India Educational Foundation. She gave orientation on how to write an application for fellowship, how to write an effective proposal and what the selection committee looks for. The session gave participants a chance to clarify their doubts and receive guidance on all matters pertaining to Fulbright grants.

6. Stakeholder Consultation with UNICEF, Mumbai

19-03-2024

A consultation meeting on developing the Bachelor of Science in Environment and Sustainability curriculum, in partnership with UNICEF State Office Maharashtra, involved faculty from the DY Patil School of Public Health and subject experts. The draft curriculum was reviewed and updated to include key aspects of climate adaptation and environmental sustainability, drawing from analysis of relevant courses offered by national and international academic institutions.

INFRASTRUCTURE

Nestled within the heart of our academic institution are a plethora of facilities designed to enrich the college experience and foster a vibrant community.

Island Cafe stands as a testament to the fusion of culinary delights and student camaraderie. This college canteen is more than just a place to grab a quick bite; it is a hub where taste buds and friendships are cultivated. The aroma of freshly brewed coffee mingles with the eclectic mix of conversations, creating an atmosphere that is comforting.

The Garden offers a serene escape. Perched atop our school, this rooftop garden where academia meets nature. Bursting with a variety of flora, it provides a refreshing retreat for students seeking solace or engaged discussions. The gentle rustle of leaves and panoramic views make it a haven for inspiration and contemplation, offering a perfect counterbalance to the intensity of academic pursuits below.

The Town Hall designed by the renowned Foster + Partners, UK is a state-of-the-art auditorium. Four large tech-driven auditoria equipped with advanced audio-visual systems and interactive tools are arranged around a sunken amphitheatre. With a seating capacity of nearly 1000, the auditoria have been flexibly designed to be opened up or closed down, depending on the scale of the event. This technological prowess transforms the space into a dynamic arena for conferences, cultural competitions, and symposiums. It's not just a venue for events; it is a platform that fosters collaboration, knowledge-sharing, and cultural exchange among our diverse

student body.

The Computer Lab

Equipped with the latest software, it provides students with the tools necessary for cutting-edge exploration in their respective fields. Whether delving into data analysis or coding for innovative projects, this lab serves as a technological cornerstone for academic excellence.

Training and Placement Events

The Knowledge Resource Centre is a spacious well-stocked library spread across three floors that houses recent journals, books, and magazines in the field of Public Health and other disciplines. With provisions for both physical and digital resources, there is ample space for students to delve into their studies, conduct research, and expand their knowledge horizons.

The Centre of Innovation and Incubation serves as a catalyst for innovative thinking. This hub encourages students to think outside the box and develop entrepreneurial skills. Currently incubating five student projects from the School of Public Health, it stands as a testament to our commitment to nurturing and realizing the creative potential of our student body.

Student Residences offer a comforting home away from home space for students coming from outside the city limits or from outside the state of Maharashtra. With relaxing rooms, spacious lobbies, and lots of open spaces, each block has its own common room with a central social area. The entire campus is Wi-Fi-enabled, ensuring that students are seamlessly connected to the digital resources they need for their academic pursuits.

MASTER OF PUBLIC HEALTH (MPH)

Public Health education is of crucial importance in today's age as there are a multitude of challenges that confront our health systems. Professionals with a background in Public Health are equipped to look at these complex problems from varied perspectives; these include the socioeconomic context and its impact, epidemiological analysis, health economics, etc. These students come from medical and non-medical backgrounds, and are trained to view public health solutions holistically and strategise based on insights from different disciplines. A resilient public health system is built with a strong foundation in public health education which creates an ecosystem to bring about socially relevant changes keeping health as the denominator.

MASTER OF PUBLIC HEALTH (MPH) PROGRAMME

Students at DYPSPH undergo two years of graduate education and proficiency building. The curriculum is designed to achieve academic excellence in the field of public health with a good theoretical grounding complemented by practical application.

It is a 24-month full time programme that offers experiential learning opportunities through interactive class discussions, internships, field assignments, and research projects. The school has forged meaningful collaborations with various national and international healthcare organizations, schools of social sciences, and other public health institutes to provide ample exposure to its students thereby creating a pool of competent and committed public health professionals.

Unique Features of the School

Reputed Faculty; State of the art infrastructure; Real – World Immersive & Technology Enabled Learning; Employable Professional Skills Development

CORE COMPETENCIES

1

Diagnosing Public Health Problems

2

Healthcare Planning & Management

3

Advocacy

4

Leadership

5

Effective Communication

6

Systems Thinking

7

Community Engagement

8

**Leveraging Technology for
Evidence Synthesis**

PROGRAMME STRUCTURE

SEM 1

1. Basics of Public Health
2. Public Health Biology
3. Basic Epidemiology
4. Introduction to Sociology and Behavioral Sciences
5. Health Promotion and Health Communication
6. Gender and Sexuality
7. Environment and Occupational Health
8. Quantitative Research Methods
9. Qualitative Research Methods

SEM 2

1. Demography and Population Health
2. Sexual and Reproductive Health
3. Introduction to Health Systems & Policy in Developing Countries
4. Management Principles and Practices
5. Health programme design and implementation
6. Introduction to Operational Research Method
7. Elective 1

SEM 3

1. Advanced Epidemiology, Advanced Biostatistics & Public Health Nutrition
2. Public Health Law & Ethics
3. Elective 2
4. Program Monitoring and Evaluation
5. Introduction to Health Economics
6. Introduction to Financial Management & Budgeting

SEM 4

1. Capstone Project
2. Internship

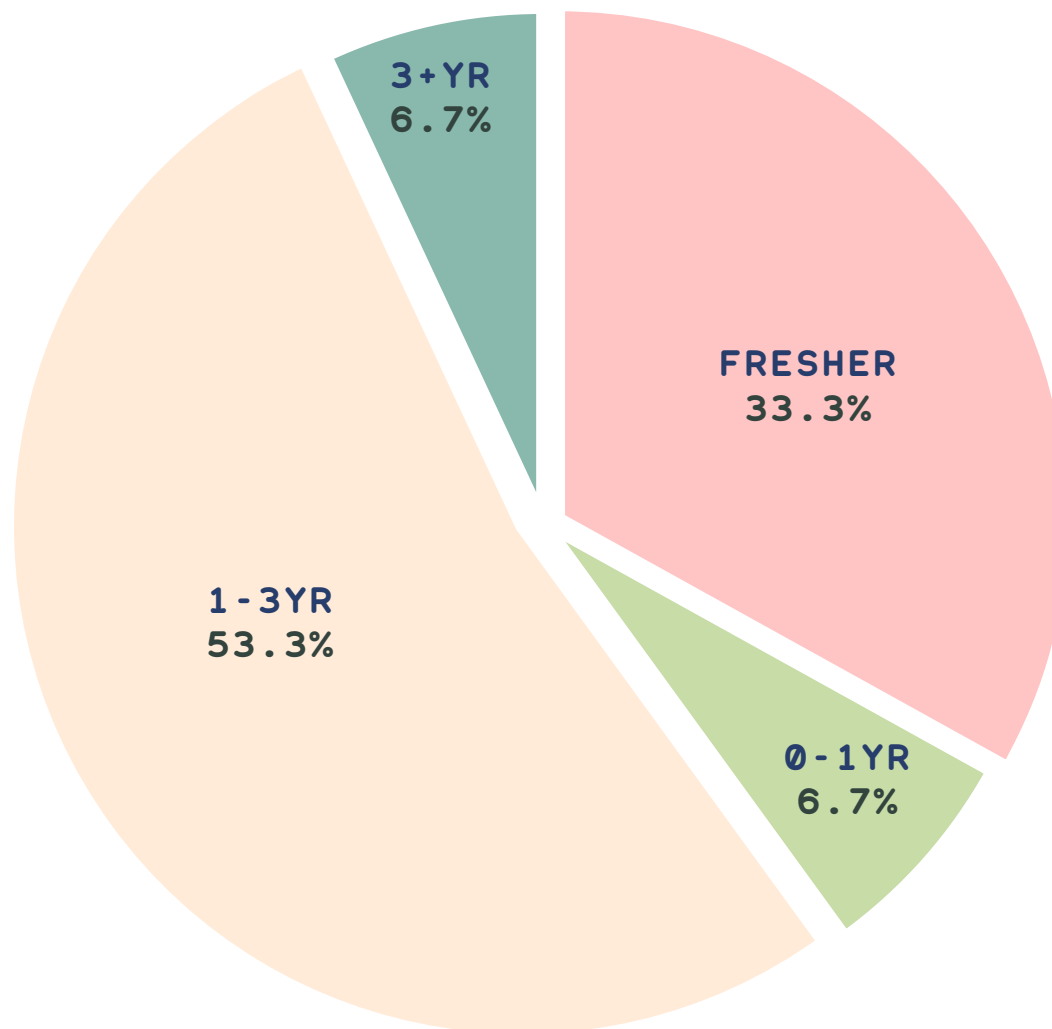

MPH STUDENT PROFILE BATCH 2022 - 2024

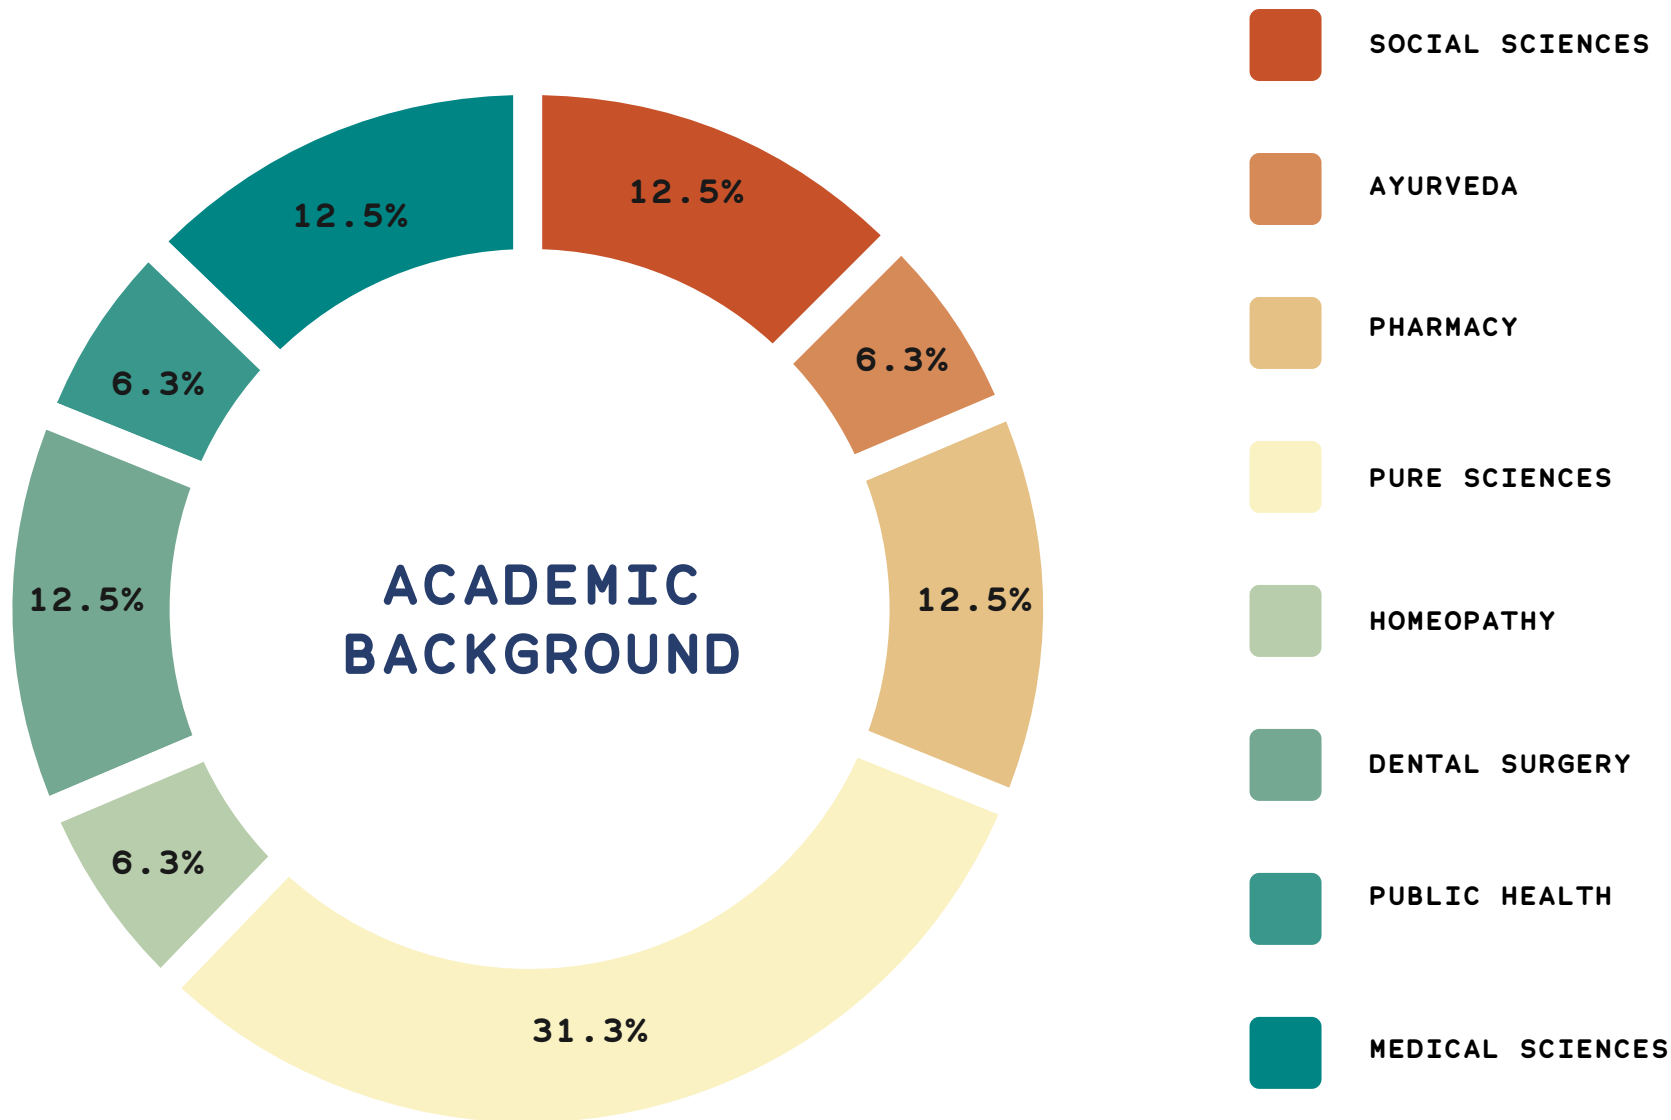

STUDENT DEMOGRAPHY

WORK EXPERIENCE

ACADEMIC BACKGROUND

Ms. Aina Unnikrishnan Kurup

Educational Qualification: BPharm,

Key skills: Basic knowledge of MS Office, ARGUS SAFETY, Canva Application, SPSS.

Internship/ Work Experience: Drug Vaccine Safety Associate (27 months, Internship at IIT Guwahati

Dissertation topic: Usability and people's perception of public toilets - a descriptive study among adults in Navi Mumbai.

Languages known: English, Hindi, Marathi, Malayalam

Dr. Aishwarya Nair

Educational qualification: MBBS

Key Skills: Passionate, Creative, Good Communication, Punctual, Active, Outgoing, Empathy, Respectfulness

Work /Internship experience: Resident Medical Officer, Saifee Hospital Mumbai, DY Patil School of Public Health

Dissertation topic: Awareness, attitude and practice towards tobacco and e-cigarette smoking among young adults (aged 18-25) in Navi Mumbai City

Languages Known: English, Hindi, Marathi

Ms. Akshata Kulkarni

Educational qualification: Bachelor of Public Health

Key Skills: Effective teamwork and collaboration

Work/Internship experience: ICMR National Institute of Epidemiology

Dissertation topic: A feasibility study to assess the effect of a targeted intervention to promote Breast Cancer awareness and Screening Among slum dwelling women in Panvel

Languages Known: English, Hindi, Marathi, Kannada

Ms. Gargi Patil

Educational qualification: Bachelors in Social Work (BSW)

Key Skills: Effective Communication, Engaged Observation, Research, Community Mobilization, Documentation & Presentation, Multi-tasking

Work /Internship experience: State Advocacy/Campaign Support person, SEARCH (Society for Education, Action and Research in Community Health)

Dissertation topic: Assessment of nutritional status of under-5 children: A mixed methods study among Katkari Tribes in Pen Taluka of Raigad District.

Languages Known: English, Hindi, Marathi

Dr. Karishma Nayal

Educational Qualification: Bachelor of Dental Surgery,

Key skills: Community counselling and education, Effective teamwork and collaboration, Critical thinking, Creativity and Presentation skills
MS Office, Canva Application and SPSS version 23 software

Internship/ Work Experience: HRIDAY and John Snow India Private Ltd.

Dissertation topic: Factors associated with mental wellbeing of working mothers employed in private educational institutions in Navi Mumbai

Languages known: English, Hindi, Local Uttrakhandi

Ms. Komal Kaur Jaswant Singh Saggu

Educational qualification: B.Sc. Renal Dialysis Technology

Key Skills: MS-CIT, MS Office, SPSS Software Version 23, Canva, Management skills, Creativity.

Work /Internship experience: Dialysis Department for three years, Internship in a UNICEF project at Bhiwandi Municipal Corporation

Dissertation topic: Lived Experiences of People Diagnosed with Chronic Kidney Disease Attending a Tertiary Care Hospital in Navi Mumbai

Languages Known: English, Hindi, Marathi, Punjabi

Dr. Monali

Educational qualification: Bachelor of Dental Surgery (BDS)

Key Skills: SPSS, MS PowerPoint, MS Word, Canva, Multi-tasking, Leadership and Communication

Work /Internship experience: Internship at Sahayata Foundation, Dental resident, Internship at Tata memorial hospital Parel

Dissertation topic: Assessment of Non-Communicable Diseases Risk Factors Among Residents Of Cheetah Camp, Mumbai, Maharashtra

Languages Known: English, Hindi, Odia

Dr. Mudita Dilip Kamble

Educational Qualification: Bachelor of Ayurvedic Medicine and Surgery (BAMS)

Key skills: Communication skills with patients, Counselling patients, Teamwork, Active listening

Internship/ Work Experience: Resident Medical Officer, Internship at SNEHA foundation

Dissertation topic: Factors associated with low back pain in patients admitted in an Ayurvedic Hospital

Languages known: English, Hindi, Marathi

Ms. Neelu Yadav

Educational qualification: Bachelor of Pharmacy (BPharm)

Key Skills: MS Office, Canva, SPSS, Team Work, Research Skills

Work /Internship experience: Worked as a Pharmacist (2 years), Internship in a UNICEF project at Bhiwandi Municipal Corporation

Dissertation topic: Perception and practice of Antibiotic use among students of a higher education institution in Navi Mumbai

Languages Known: English, Hindi, Marathi

Dr. Pawan Sunil Koli

Educational qualification: MBBS, DMRE

Key Skills: Good Leadership and Execution skills

Work /Internship experience: Head of COVID Vaccination Centre for 1.5 years, Radiology Resident (Present)

Dissertation topic: Prevalence of Hypertension in Diagnostically proven Cerebrovascular Accidents: A study in a teaching hospital in Mumbai.

Languages Known: English, Hindi, Marathi, Gujarati

Ms. Priti Ghadage-Sawale

Educational Qualification: M.Sc endocrinology, P.G.D.M Critical Care Technology

Key skills: Good Communication, Teaching

Internship/ Work Experience: Respiratory therapist in Tertiary care hospital (5 years)

Dissertation topic: Factors associated with Bronchial asthma control at a tertiary care hospital in Thane city

Languages known: English, Hindi, Marathi

Dr. Priyanka Suryawanshi

Educational qualification: BHMS, PGDEMS

Key Skills: Planning and execution of awareness programs, Medical camps, Consultation and Counselling, Designing media for social media for awareness campaigns, Leadership, team management and communication

Work /Internship experience: Junior Research Fellow, Program Assistant, Regional Research Institute for Homoeopathy

Dissertation topic: Factors associated with physical activity level among adult population in an urban area of Navi Mumbai

Languages Known: English, Hindi, Marathi

Ms. Ragini Mishra

Educational qualification: BSc Microbiology

Key Skills: MS office, SPSS, Communication, Community engagement, community partnership, problem solving, Strategising, Collaboration

Work /Internship experience: Internship at UNICEF

Dissertation topic: Knowledge, Attitude and Practice Regarding Menstrual Health Among Women of Reproductive Age Group in Slums of Raigad District

Languages Known: English, Hindi

Ms. Rasika G. Shirke

Educational Qualification: BSc. Operation Theatre & Anaesthesia Technology

Key skills: MS Office, SPSS, Canva, Research skills, Interpersonal & Communication skills, Critical Thinking & Analytical Skills

Internship/ Work Experience: Internship at IIT Guwahati

Dissertation topic: Attitude and practices of health care workers towards bio-medical waste management at three levels of healthcare in Navi Mumbai

Languages known: English, Hindi, Marathi

Ms. Shrutika Ghosale

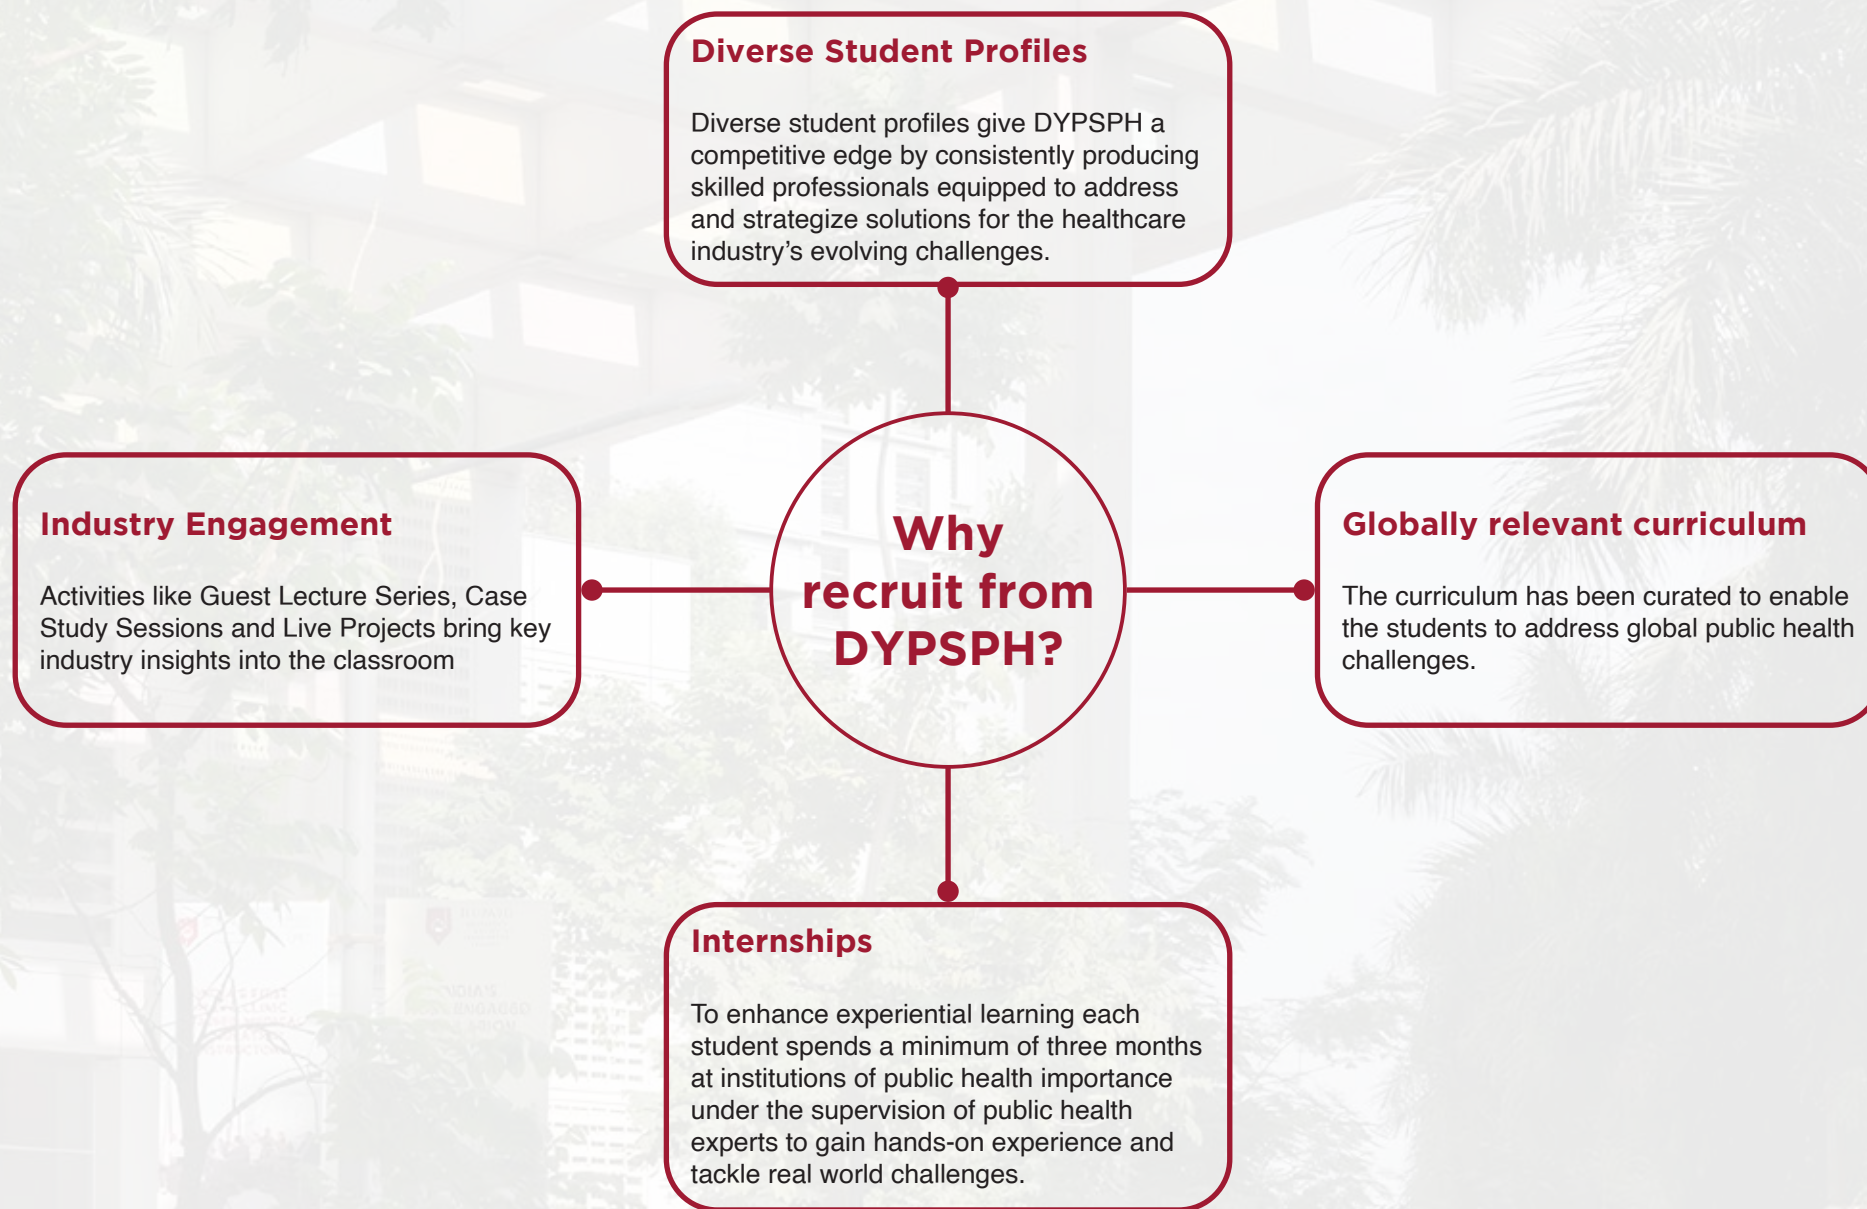

Educational qualification: B.Sc. Nursing

Key Skills: Excellent communication skills, Good knowledge of clinical practice and protocol, Hardworking, Optimistic

Work /Internship experience: Worked as a Nursing Officer in the ICU (2 years), Currently working as an Occupational Health Officer, Healis Sekhsaria Institute of Public Health

Dissertation topic: Indoor air quality and it's health effects among households in an urban area of Nerul in Navi Mumbai

Languages Known: English, Hindi, Marathi

CAREER AND PLACEMENT CELL

Prior to deciding on the internship placement, DYPSPH recommends a self-assessment of skills, personality traits, interests, goals and preferences for work settings (office, lab, field, etc.). Students contact DYPSPH Career And Placement Cell (CAP) to schedule an appointment for individualized guidance.

The CAP cell connects with varied stakeholders in public health to facilitate student internships and placements by:

- Networking with NGOs in the developmental sector
- Collaborating with organizations to offer subject-oriented sessions and long-term opportunities
- Organizing meetings and group orientations with agencies
- Inviting guest speakers to provide insights on opportunities and sub-disciplines in public health

Preparing students to be placement-ready

- CV-building, cover letters, and email etiquette sessions
- Training in Microsoft Office, Mendeley, SPSS, R, and STATA
- Expert talks on public health disciplines for career guidance
- Soft skills development: self-presentation, workplace etiquette, organizational behavior, and interview techniques
- Enhancing Communication skills with sessions on professional communication practices, navigating varied social media channels and the use of media software such as Canva
- Personalized career counseling and guidance for internships and placements

COLLABORATIONS AND PARTNERSHIPS

GUIDELINES FOR RECRUITERS

- Interested organisations may communicate their interest to the Career And Placement (CAP) committee through an email addressed to int.mph@dyptail.edu with the following details:
 1. Number of positions being offered
 2. Job profile
 3. Geographical location
 4. CTC
- Placement Process for this year is scheduled to begin from the first week of October in both online and offline format
- Interested organisations are expected to inform CAP about the nature of engagement with the students and further recruitment process.
- Organisations are requested to confirm the students selected by giving their names in writing or by e-mail at the earliest after finishing the selection process.
- All communications with regards to the placement process should be made only through the CAP committee specified in the placement brochure

Training and Placement Events

"Bridging Knowledge and Career Opportunities"

D Y PATIL
DEEMED TO BE
UNIVERSITY
— SCHOOL OF —
PHYSIOTHERAPY

Introduction

The Training and Placement Cell aims to provide students with career-oriented training and workshops, collaborating with international professionals and universities to prepare students for global opportunities.

This year, we organized several events to guide students towards their professional goals, with a focus on international education, drafting SOPs, and overseas career opportunities.

Members of Training and Placement Cell 2023-2024

Sr no	Name	Designation
1.	Dr. Anu Arora	Professor & Chairperson
2.	Dr. Shellette D Almeida	Associate Professor & Member
3.	Dr. Esha Shetty	Assistant Professor & Member

Workshop on Mastering the Art of Drafting Statement of Purpose

Date: 11th September 2023

Resource Person: Mr. Rohit Kulkarni, Co-Founder & COO, Vision International Overseas Education

The School of Physiotherapy, DY Patil Deemed to be University conducted a workshop for interns on "Mastering the Art of Writing Statement of Purpose" on 11th September, 2023. The event aimed to guide students on drafting effective Statements of Purpose (SOPs) for their higher education.

The importance of a SOP with a clear structure was emphasized at the inception of the seminar. It was emphasized that a SOP acts as an essential resource for institutions to understand the objectives, qualifications, and motivations of potential students.

Participants had the chance to look over a number of SOPs that their other attendees had submitted. These students received constructive criticism that included suggestions on how to improve the content, clarity and overall impact. The discussion also covered the relevance of highlighting relevant experiences and future aspirations as well as the significance of personalizing and authenticity in SOPs.

94 students participated actively in the programme, benefiting from the experts insightful advice. This workshop offered an excellent opportunity for students aspiring higher education to improve their SOP-writing skills, increasing their chances of getting accepted to top universities.

Guidance for Pursuing Higher Education at University of Galway, Ireland

Date: 29th November 2023

Resource Person: Dr. Ananya, Director of Exercise Physiology, University of Galway

The Training and Placement Cell of School of Physiotherapy in collaboration with Vision International organized a session on higher education in Ireland, specifically focusing on the University of Galway. Dr. Ananya Gupta, Director of Exercise Physiology from University of Galway discussed the various courses available at the University, emphasizing the opportunities they offer. She shed light on the high demand for physiotherapy professionals in Ireland, detailing job prospects in the field.

Dr. Ananya commenced the session by enlightening the students on the diverse courses offered at the University of Galway. The speakers gave a brief explanation of the course credentials. The overview elaborated the importance of the course and the benefits of taking up the course. Dr. Ananya's emphasis on the high demand for physiotherapy professionals in Ireland was an essential aspect of the speech she delivered.

A total of 60 students benefited from this insightful program, gaining valuable insights into higher education opportunities and career prospects in Ireland. They ended the session clarifying the doubts of the students and provided their contact details for any assistance required by the students in the future.

Guidance for Pursuing Higher Education at Cardiff University, UK

Date: 1st December 2023

Resource Person: Ms. Sian Keepin, Regional Manager, Cardiff University

On December 1st, the Training and Placement Cell of DY Patil's School of Physiotherapy, D Y Patil deemed to be University in collaboration with Vision International, conducted a focused session on UK higher education, centering on Cardiff University.

Ms Sian Keepin, Regional Manager from Department of Physiotherapy, Cardiff University began the session by delving into the details of Cardiff University's offerings. She provided information of the fee structure, shedding light on the financial aspects that prospective students need to consider. As she discussed the modules, she explained the academic components of the programs available, giving students a clear understanding of the subjects, they would engage with during their course of study.

The criteria for joining Cardiff University were explained, encompassing both academic prerequisites and eligibility standards. A significant emphasis was placed on the support systems available to students, covering academic and well-being aspects. A total of 69 students actively participated in this program, gaining insights on employment choices and increased their awareness of opportunities for higher education

Overseas Physiotherapy Practice in Canada: Eligibility and Process

Date: 15th January 2024

Resource Person: Dr. Steffi Mascarenhas, Registered Physiotherapist, Lakeridge Health, Canada

The School of Physiotherapy, DY Patil Deemed to be University organized an insightful interactive session on Overseas Physiotherapy Practice in Canada: Eligibility and Process by Dr Steffi Mascarenhas.

The session enlightened students about the opportunities and requirements for pursuing a career abroad, particularly in Canada. Dr. Steffi Mascarenhas skillfully explained the eligibility criteria, shedding light on academic and licensing requirements, as well as the evaluation processes for foreign-trained Physiotherapists. She also provided a comprehensive overview, addressing queries and guiding attendees through the intricate process.

The event served as an informative session as a platform for aspiring Physiotherapists to gain valuable guidance on deciding their future professional paths. 40 graduate and post graduate students participated in the event. The interaction ended with exchange of contact details for any further queries in future.

"Voices from the Events"

“The session on SOP writing was very helpful, and I feel more confident about my application for higher studies.” - **Student A**

“The guidance on pursuing education in the UK provided me with clarity on how to proceed with my plans.” - **Student B**

“Learning about the physiotherapy opportunities in Canada opened new doors for my career.” - **Student C**

Message from DYPUSOT Professor and Incharge: Dr. Punita V. Solanki

School of Occupational Therapy has been established under the Maharashtra University of Health Sciences (MUHS) for Bachelors of Occupational Therapy (BOT) program, under the astute vision and guidance of Padmashree D. Y. Patil Sir and is continued under the leadership of Dr. Vijay D. Y. Patil, since 2001 i.e., for more than 22 successful years. The School of Occupational Therapy is functioning under the ambit of D. Y. Patil Deemed to be University since the year 2013-2014.

The school has been striving to offer excellent undergraduate academic training, par national and international norms, and has been producing and preparing graduate occupational therapists for the real-world clinical practice, higher education etc. At the School of Occupational Therapy, students receive evidence-based knowledge, clinical training and skills development from teaching faculties who are educated and qualified from the renowned educational institutions of India and overseas and carry extensive knowledge both of academic institutions and industry. Teaching faculties and interns have been regularly conducting clinical research and publish their research work in indexed national and international journals. Additionally, students get a chance to interact with senior experienced professionals and alumni, who help broaden their understanding of various concepts through their own experiences via workshops, courses and webinars. Teaching faculties participate in national and international academic events for continuing education and as resource persons. Students too are encouraged to participate in annual national conferences and various student-driven activities organized in and outside the campus.

The School of Occupational Therapy aspires to revise the graduate program i.e. BOT program as per Semester System, based on national education policy (NEP) and university grants commission (UGC) norms and plans to initiate post-graduate program i.e. Masters of Occupational Therapy (MOT) program in various specializations such as Musculoskeletal Sciences, Developmental Disabilities and Neurosciences etc. from the academic year 2024-2025. The school is also preparing to offer interdisciplinary PhD programs in liaison with the School of Medicine and Directorate of Research under D. Y. Patil Deemed to be University.

About the Bachelors of Occupational Therapy Program

The School of Occupational Therapy was established in the year 2001 affiliated to the Maharashtra University of Health Sciences (MUHS), under the astute vision and guidance of Padmashree D Y Patil and has continued to flourish under the leadership of Dr. Vijay Patil. Since the year 2013, the School of Occupational Therapy is affiliated to the D Y Patil Deemed to be University.

At the School of Occupational Therapy, students learn from faculty who are qualified from the renowned accredited educational institutions in India and abroad, and carry extensive knowledge, both of healthcare industry and academics. As part of our curriculum, students are trained in rehabilitation/restoration of the functional ability of a person with various types of physical, mental, and neurological trauma or illness.

Our website provides information regarding our various academic and research activities, cultural and extension activities.

The department of occupational therapy under the ambit of D Y Patil University offers graduation in occupational therapy. During the course of 4 years and 6 months, the program provides an educational experience of the essentials required for health care in the country. The educational process is not only hospital oriented and based on medical model but is also community based and client-centered. Adequate emphasis is placed in clinical reasoning and scientific thought processing, clarity of expression and independence of judgement, ability to collect and analyse information and to correlate them. Classroom teaching is supplemented by active methods related to demonstration and hands - on - discussions during clinics and seminars to enable them to develop

individuality, and managerial skills to function ethic in solo practice or as a team leader when he begins his independent career.

During Internship graduate students get hands-on clinical experience on one-on-one client as well as on group settings in the out-patient department and indoor facilities of the D Y Patil Hospital and Research Centre.

About the Program, Batch Profile, Placement & Internship Highlight

DEAN MESSAGE

Greetings from the Institute of D. Y. Patil School of Nursing (DYPUSON), Nerul, Navi Mumbai!

DYPUSON is affiliated with the Indian Nursing Council, Maharashtra Nursing Council and D. Y. Patil Deemed to be University, established in 2008 with a dedicated mission to “Provide Quality Education with a strong commitment to nursing practice, education, research, innovation, and collaboration.” Given the current COVID-19 pandemic, we strongly believe that the coming together of diverse minds and perspectives with a multidisciplinary approach and honest discussion is a necessary pre-requisite for identifying realistic solutions and management interventions to meet the challenges of managing the health of people in the country and world.

The overall objective of the Nursing program is to prepare its graduates to become exemplary citizens by always adhering to the code of ethics and professional conduct in fulfilling personal, social, and professional obligations to respond to national aspirations. And mastering in analytical skills to recognize emerging trends and scope of improvement in the healthcare industry by designing innovation and intervention, strengthening leadership competencies with effective communication during emergency and adverse situations.

The institute has a multi-disciplinary faculty with excellent academic records and teaching experience relevant to the healthcare sector. We have an outstanding blend of regular and visiting faculty with rich clinical experience to ensure unique insights of learning and examples. I am proud to mention that the University adheres to its mission to achieve academic excellence vetted through evidence-based research findings. The eminent faculty at the Institute promotes a knowledge-sharing culture of innovation and excellence among the students. DYPUSON also offers its students the best-in-class internship/placement opportunities. Thanks to the support of prominent recruiters from across industries.

The dynamic healthcare system needs competent nurses who are also excellent clinical leaders to deliver effective direct patient care in healthcare. In addition to instilling strong ethical values in the students in line with its mission, D. Y. Patil University is also conscious of the invaluable partnership it shares with stakeholders and the society at large, which enables us to produce effective clinical nurse leaders. In recognition of this bond, I invite you to visit our campus, interact with our committed and sensitive students, and discover their innovative ideas, commitment, and enthusiasm in contributing and responding to the needs of society. I am confident that our students will contribute immensely to your esteemed organization and become assets to you.

***Prof. Dr Deepa
Reddy., RN.RM,
Principal
D. Y. Patil School
of Nursing,
Nerul, Navi
Mumbai.***

PLACEMENT HIGHLIGHTS

We are proud to announce that all the alumni of the University have secured excellent placements with Public and Corporate healthcare organization at National and International level. Placements have always been critical in recognizing students' potential, and it is the goal of the entire DYPU community to raise the bar on placements year after year by instilling significant technical and nontechnical knowledge in students, preparing them to meet the ever changing industry requirements and challenges. Even during Covid-19 scenario we aimed to facilitate highest number of placements from our current batch, whether it is internships or final placements, the placement cell has worked relentlessly to make sure that every student is placed irrespective of the pandemic.

A Well- Defined Placement Process

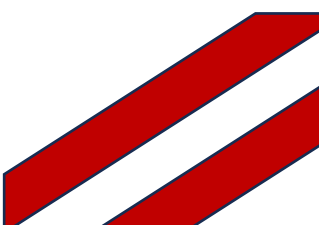

The University offers a platform for placements wherein the leading corporations from a variety of industries are invited to campus placements on a schedule in order to place our students effectively before the end of their studies. Top companies from the country and abroad are invited to recruit students from various specializations in Hospital.

Complete Pre-placement Guidance

The placement cell works dedicatedly with the faculty and alumni to prepare the students for a rewarding placement season. This includes, developing crisp and unique resumes, regular technical and non-technical training to help them succeed in interviews, conducting mock interviews and group discussions, hosting aptitude tests, and mentoring sessions by the alumni. They gain practical experience by interacting with our large alumnus network through webinars and sessions like 'Know Your Alumni' also the Masterclass session from the Top Management of Industry. The team also organizes various events, fairs, and workshops to help students understand the corporate culture and deal effectively with the placement pressure.

Alumni Mentoring Programme

Alumni Mentoring Programme is a unique initiative undertaken by DYPUSON. Through this programme students are connected with alumni who serve both as a guide and a source of inspiration for them. Alumni Mentoring Programme is launched with the goal of keeping the alumni connected to their alma connect as well as share their valuable experiences with the current students.

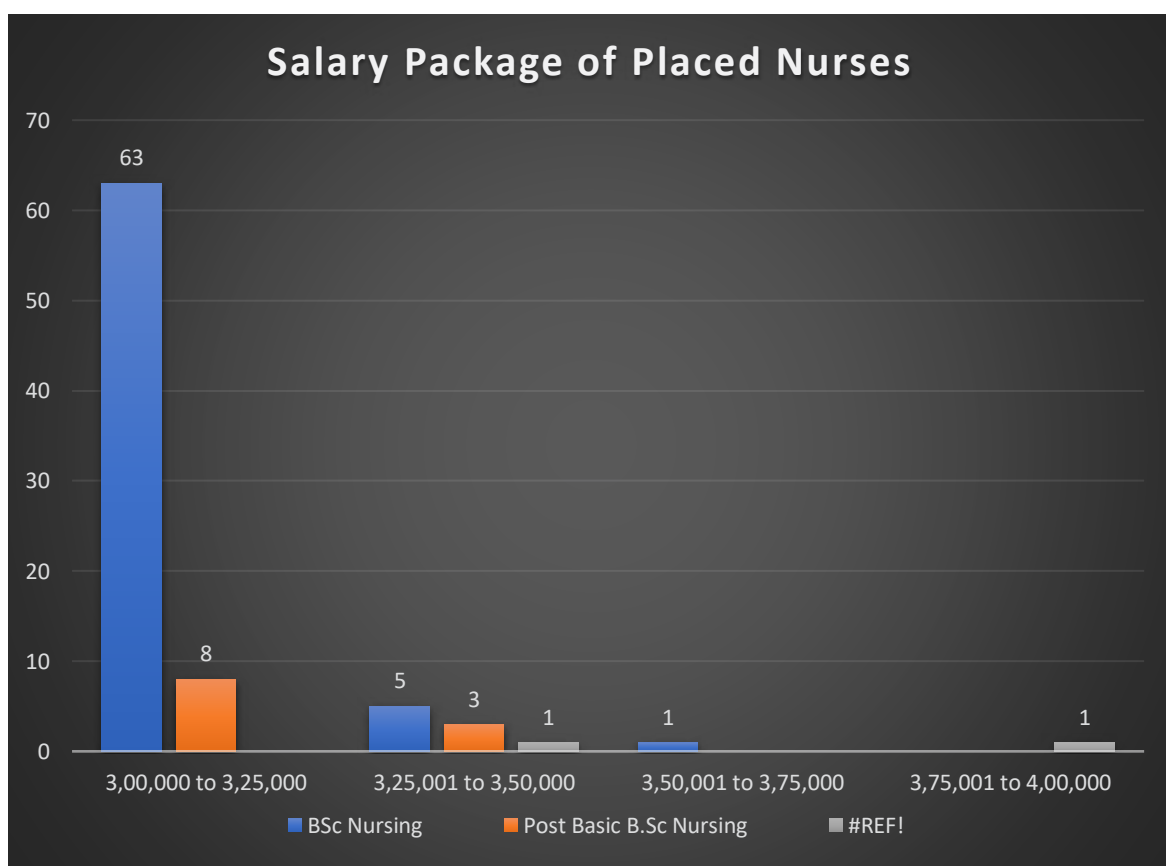

Framework of Mentorship Programme

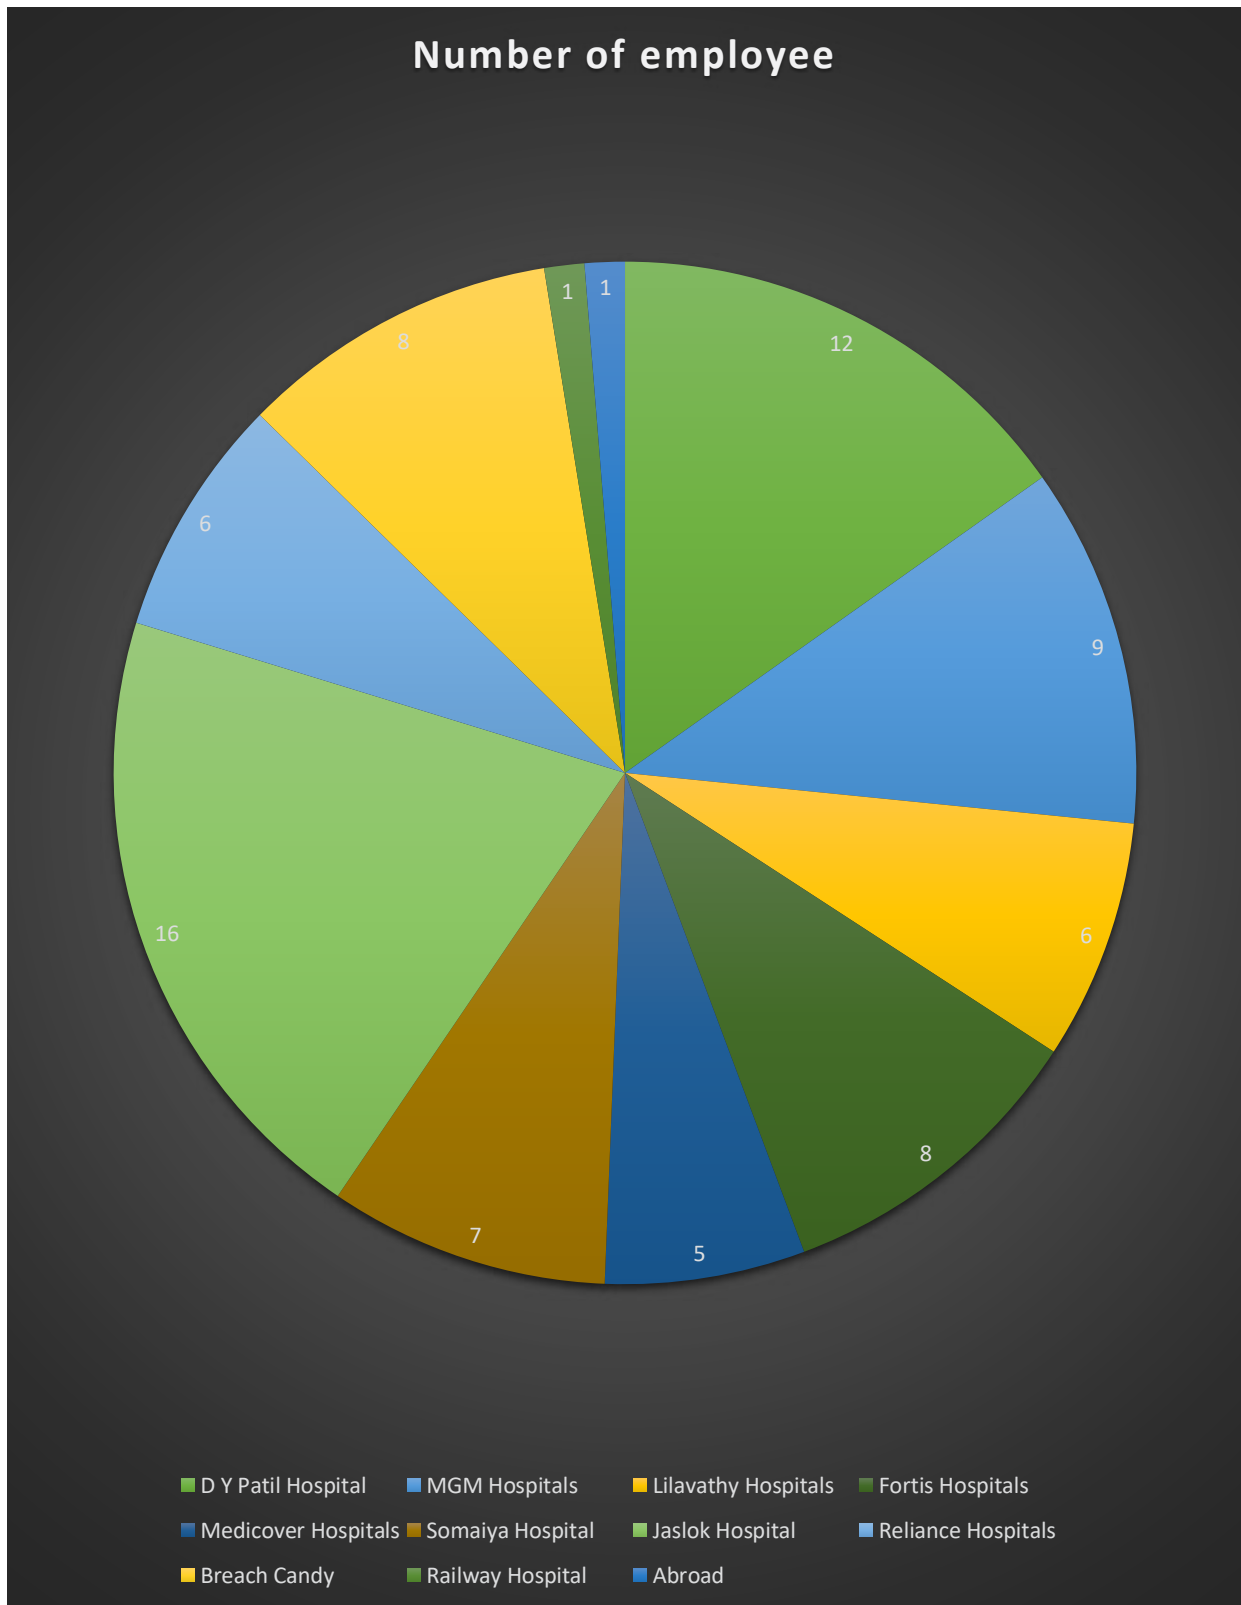

Under this programme, we invite our alumni across the globe and from different fields to interact with the students and help them build their network and gain a new perspective on the possibilities open to them, after graduation. With the students facing crossroads at every other turn and unable to choose what's best for them due to a lack of insight into how things would actually materialize with each road that they choose to take, it becomes crucial that they are guided by people who have faced the same crossroads during their academic life and the competitive world beyond it.

The Alumni with their vast repository of personal experiences can help improve insight among students into diverse aspects of life which include academics, extracurricular, the professional life after college or the general way of life.

Mrs Manasi Rahane
Professor, DYPUSON

Dr Shalini Abraham
Professor, DYPUSON

The committee relentlessly works for the overall institutional goal of inviting reputed companies and providing desired placement offers to students based on their personal field of interest. It is an elected body where the members are elected by students of the institute. It consists of a Bi-Cameral approach consisting of senior and junior members. The Placement Committee investigates tasks like student brochure development, resume vetting, pitching, students' skills-job mapping and placement related event organizing. Apart from these tasks, the Placement Committee at DYPUSON also conducts mock group discussions, interviews and workshops which equips the students to face the placement interviews and be industry ready.

PLACEMENT BROCHURE

YOUR GATEWAY TO LEGAL BRILLIANCE

SCAN TO REACH OUT

Dr. Karuna Akshay Malviya
(BLS, LLM, NET (SRF),
PHD (LAW), DCL, CCP)
Director, School of Law

DIRECTOR'S MESSAGE

D.Y. Patil School of Law students connect cutting edge classroom theory to real world, real time legal practice and policy development through experimental pathways to learning. DY Patil School of Law offers numerous ways for you to gain valuable hands- on experience while making a positive impact in real people's lives and communities including clinics, pro bono programs and opportunities in India and abroad.

The School of Law believes in creating and mentoring young students in a holistic manner so that they can meet the challenges of a competitive Industry. In saying so we are proud to share that we run a curriculum that will give students practical information and cater to focusing on delivering quality. We engage with esteemed organizations through multiple engagements to name a few live projects, summer internships, webinars, conferences so that the students have experiential learning before they get finally placed.

We as an institution believe that team work, communication and creativity are attributes which will take a student a long way and we nurture this and sharpen it from their inception through various activities such as sports, cultural events, literary events, competitions such as business plans, case study competitions, etc. The students are also given an opportunity to research through the research centers established by School of Law which will further enhance the students' knowledge and skills. The placement team also runs an academic-industry oriented interaction so that the students are well versed with the trends and happenings of the Industry and Corporate world. They mentor students continuously. The institute also believes that the students along with learning soft and technical skills need to be contributors to the society, hence the students engage through socio- legal projects namely "Accessibility of Fair Trial of Prisoners & Under Trials through Legal Aid Services in collaboration with District Legal Aid Services". "WE CREATE HOLISTIC LEADERS WHO CAN GIVE THEIR BEST IN ANY SITUATION" TO THE SOCIETY AS WELL AS FOR THEMSELVES.

PLACEMENT AND INTERNSHIP DRIVE REPORT

The report is an overview of the Internship and Placement Drive that took place on 22nd May 2023 at the campus of D.Y Patil Deemed to be University, School of Law. The event was organized with the aim of connecting our talented law students with esteemed companies and providing them with valuable opportunities for professional growth and development.

PARTICIPATING COMPANIES:

PUBLIC GOVERNANCE TRUST

Public concern for governance trust is renowned non-government organisation that works for the betterment of society. Their representatives Ms.Sailee conducted informative sessions and engaged in interactive discussions with the students, shedding light on work culture, social work and career prospects.

KMS LAW FIRM -SOLICITORS AND ADVOCATES

KMS Law firm, Solicitors and Advocates specializes in criminal, civil and writ petitions. They conducted an online internship and placement platform and provided students with valuable insights into this field and shared career advice.

BHAKTI VEDANTA HOSPITAL & RESEARCH INSTITUTE

Bhakti Vedanta is a Hospital and Research Institute based in Mumbai participated in the drive. They offered internship positions in their Medico - Legal division. Their team organized a panel discussion on laws related to medicine and conducted interviews of law students.

The placement offered by these organizations will undoubtedly contribute to the professional development of our students and pave the way for their successful legal careers. We also appreciate the efforts of our faculty members and the Placement Cell for organizing and coordinating the event, ensuring its smooth execution and success

18.	Research Foundation of India
19.	Foundation for Skill Development (FSD)
20.	Gujarat Maritime Cluster
21.	All India Lawyers Forum
22.	Bhaktivedanta Hospital & Research Centre
23.	Bose & Mitra & Co.

PLACEMENT DETAILS

A) Technical Preparation for interviews is not applicable to the field of law. However, through Moot Courts, we prepare the students of School of Law in getting acquainted with the application of law in courts.

B) The Placement and Internship committee under School of Law has been formed in May 2023. As of now, we have not conducted seminars/workshops specifically for placements and internships. However, we are planning to conduct seminars and workshops for the same.

C) Resume Writing: Seminars/Workshops are not conducted in the past 4 months since the establishment of the placement and internship committee. But, we are planning to conduct seminars/workshops on the same; Grooming, Aptitude test, technical knowledge: N/A

D) Group Discussion: N/A for School of Law

E) Targeted Companies & Law Firms:

F) Currently, we are not offering International Internship/Placements. However, we are in the process of collaborating internationally to provide students with international exposure.

G) Preparing a graph for the criteria set forth in this point is not possible at this time as: Since 2019, only 2 batches of LLB have passed out and in 2024, the first batch of BA LLB and BCom LLB will graduate. Out of the 2 LLB batches, only one student has opted for higher studies.

H) The placement drive spanned over several days. A google form was generated and all eligible candidates had to fill in the relevant fields along with their Resume and Educational Qualifications.

I) Based on the interviews, recruiters extended job offers, internships, and training contracts. Some students received pre-placement offers (PPOs) based on prior internships.

PLACEMENT BROCHURE

**D Y PATIL SCHOOL OF ARCHITECTURE,
NERUL NAVI MUMBAI**

About the School of Architecture

The school was established as Patil College of Architecture in the year 1992 under the Mumbai University with 2000 plus distinguished Alumni spread across globe heading private practices as well large organizations. In the year 2018-19, D Y Patil College of Architecture from its Mumbai University affiliation came under the ambit of DY Patil Deemed to be University and became common knowledge as D Y Patil Deemed to be University's School of Architecture (DYPUSOA), Nerul, Navi Mumbai. By the virtue of its recognition, from 2018 onwards, D Y Patil School of Architecture, has taken up this challenging but encouraging path, to growing and becoming the School of Architecture that thrives on diverse domains and multi-disciplinary teaching learning ecosystem that is well grounded in Practice, Research & Innovation.

Current Programmes

1) Bachelor of Architecture – 5 Year Full time programme

Guided by COA minimum Standards 2020 – NEP2020 Integrated

2) Master of Architecture in Urban Design – 2 Year Full time programme.

Guided by COA Minimum Standards 2022 – NEP 2020 Integrated

3) B.Sc. Product Design- (3+1) Year Full time programme

NEP 2020 Integrated

4) B.Sc. Interior Design- (3+1) Year Full time programme

NEP 2020 Integrated

CURRICULUM

B.Sc. Product and Interior Design Programme Objectives

- Imbibe up to date skills, digital & analogue competence that enable to visualise, communicate and execute innovative design ideas.
- Imbibe ability to demonstrate to present ideas.
- Imbibe in-depth knowledge of forms of Visual Art, Crafts through the timeline.
- Develop research acumen and ability to think critically for creating value-centric designs.
- Imbibe ability to create a product aligning with emerging technology.
- Build capacity to engage with multidisciplinary approach to problem solving.
- Strengthen the theoretical and practical understanding of Entrepreneurship.
- Develop strong connect with the emergent contexts to device suitable design strategies.

B.Sc. Product and Interior Design Programme Outcomes

The BSc Interior Design & Product Design programs are structured to empower students with a comprehensive set of outcomes that are crucial for success in the field of design. Firstly, students are equipped with advanced skills in Design Innovation, honing their ability to think creatively and develop groundbreaking design solutions.

Critical Thinking for Research & Innovation is emphasized, enabling students to analyse problems deeply and propose innovative approaches. A significant aspect of the programs is the in-depth understanding of materials and technology that students acquire through direct engagement. This knowledge equips them to make informed decisions about material selection, construction techniques, and sustainable practices.

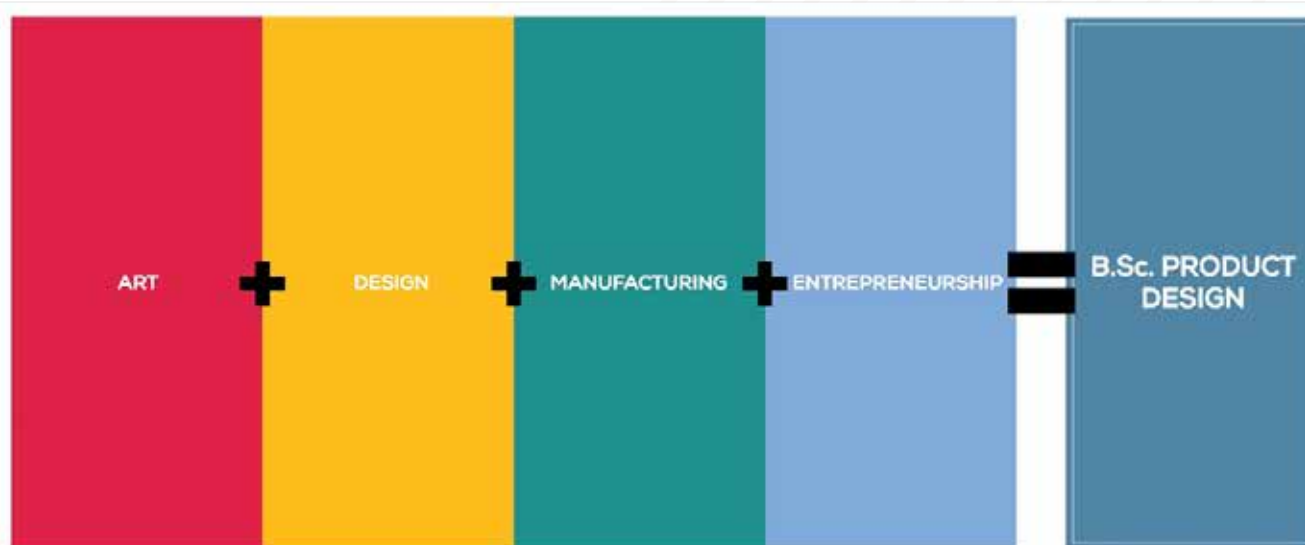

These programs also emphasize a multi-disciplinary approach to problem-solving, recognizing that Interior and Product Design intersects with various fields such as engineering, resource planning, and environmental science. Students learn to collaborate across disciplines, enriching their perspectives and solutions. Practical application of essential practices ensures that students are well-versed in the technical and professional aspects of design field.

CURRICULUM

Additionally, they are encouraged to develop strategic design solutions with an entrepreneurial approach, fostering an innovative mindset that is vital in today's evolving design landscape. The programs places a strong emphasis on alignment with emergent contexts, particularly environmental sustainability. Students learn to integrate sustainable principles into their designs, addressing pressing issues such as climate change and resource efficiency.

Ultimately, both the programs aim to cultivate a design identity for each student. This includes developing a strong foundation of knowledge, capabilities, ethics, and values specific to the profession. By achieving these outcomes, graduates are well-prepared to make meaningful contributions to the built environment, creating spaces and designing and manufacturing products that are not only aesthetically pleasing but also functional, sustainable, and socially responsible. Also, the program specific objectives focus on a holistic understanding of design contexts, requiring students to critically evaluate art, culture, socio-political, economic, and aesthetic factors. This multidimensional approach ensures that designs are rooted in comprehensive analysis and awareness of diverse influences. Students are tasked with creating user-centric designs and identities, emphasizing empathy and user needs in the design process. Additionally, the program aims to equip students with effective communication skills, both verbally and in writing, as well as proficiency in digital tools. This multifaceted skill set enables graduates to not only create impactful designs but also articulate and present their ideas effectively to various audiences.

CURRICULUM

BACHELOR OF ARCHITECTURE

B.Arch Programme Objectives

- Prepare students for professional practice in the field of Architecture by providing them with necessary professional/industrial exposure.
- Strengthen intellectual capabilities and develop proficiency in professional skills to enable students to pursue allied careers, within the broad range of architecture.
- Providing the students an opportunity to choose with the help of choice-based electives

B.Arch Programme Outcomes

DY Patil School of Architecture, Navi Mumbai, is committed to nurturing graduates who are not only equipped with the necessary technical skills but also possess a holistic understanding of architecture and its allied fields. Our programme objectives and outcomes are designed to prepare students for professional practice and empower them to excel in diverse career paths within the realm of architecture. Graduates of our programme exhibit the following attributes:

- Perceive beyond the obvious and innovate 'Out Of the Box' designs.
- Acquire the tools of Perceptions, Abstraction, and Representation.
- Think critically and argue for unique stand-points.
- Apply the argument for stating the (Design) problem.
- Understand various aspects of Building Sciences and Technology (BST).
- Integrate the know-how of BST in the (Design) process.
- Engage with various allied disciplines.
- Integrate allied disciplines with architecture.
- Understand the nuances of Building Practices.
- Apply innovation and Critical stand-points to Practice.
- Develop insights into changing scenarios, Climatic/ Socio-political, Global.
- Employ the latest (Design) Tools, Technology, and Practices to achieve Transformation.

Our graduates are well-prepared to contribute meaningfully to the field of architecture and related industries. They possess a unique blend of creativity, technical proficiency, critical thinking, and interdisciplinary knowledge, making them highly sought-after professionals in the field.

CURRICULUM

- Providing the students an opportunity to choose with the help of choice-based electives

M.Arch Programme Outcomes

- **Comprehensive Skill Development:** Our school focuses on providing students with a holistic education in urban design and architecture. Graduates are equipped with the technical skills and knowledge necessary to excel in their field, including proficiency in software, sustainable design principles, and project management.
- **Interdisciplinary Approach:** We believe in the importance of interdisciplinary learning. Our curriculum integrates elements of urban planning, environmental science, sociology, and engineering, ensuring that graduates have a well-rounded understanding of the complexities of urban environments.
- **Professional Experience:** Students at our school have the opportunity to gain real-world experience through internships, industry projects, and collaborations with professionals in the field. This practical experience ensures that graduates are ready to enter the workforce with confidence.
- **Critical Thinking and Problem-Solving:** Our curriculum emphasizes critical thinking and problem-solving skills. Graduates are trained to approach urban design and architecture challenges with creativity, innovation, and a deep understanding of the social, cultural, and environmental contexts in which they work.
- **Strong Ethical and Professional Values:** We instill in our students a strong sense of ethical and professional responsibility. Graduates of our school are not only skilled professionals but also responsible citizens who are committed to creating sustainable, inclusive, and resilient built environments.

WHY HIRE US?

ANALYTICAL SKILLS

Students are trained to analyse data, interpret findings to communicate data-driven recommendations. Their polished critical thinking skills evaluate environmental impacts and assess the viability of sustainable solutions.

SOFT SKILLS

Effective communication, involving clear articulation of complex environmental concepts & adept written and verbal skills for reports and presentations. In teamwork, they bring a collaborative approach, navigating interdisciplinary dynamics and contributing effectively in projects.

CORE COMPETENCIES

Thorough knowledge of building physics and research based design that interests students to interpret their findings and think analytically. Environmental policy exposure and management of systems and design strategies. Understanding and utilising softwares as tools to quantify their designs.

SOFTWARE TRAINING

- Software skills training sessions for industry recruitment
- 180 Hrs of classroom sessions
- Business management and skills training
- Communication Skills,
- Translation of ideas into words, concepts, designs
- Presentation techniques
- Intra-group and Public communication.
- Impromptu and prepared speech.
- Written communication
- Grooming & Business Etiquette, Building a good resume. And portfolio
- Group Discussions, Personal Interviews.

GRADUATE SHOW

The School of Architecture organises a graduate show where design meets innovation. Every year we showcase groundbreaking projects crafted by our students, each one a testament to meticulous planning and visionary thinking. Through a journey of architectural ingenuity the recruiters explore a spectrum of architectural styles, sustainable solutions, and urban interventions that redefine spaces.

The campus works as a showcase of our graduates skills and work with spaces assigned for interactions with potential recruiters. Industry leaders join us in celebrating the spirit of architectural excellence and discover the future of built environments at our immersive Graduate Show for Talent Hunt.

Further, the showcase continues throughout the year with the graduates portfolio and poster in a set format, where renowned professionals who visit our campus regularly also have access to the works of our graduated students.

INDUSTRY INTERACTIONS AND MOU

DYPUSOA believe in invaluable industry connections and elevates learning experience through robust Industry Interaction program integrated at various stages of the pedagogy.

Our institution is committed to bridging academia with real-world expertise, offering students the opportunity to engage directly with industry leaders. Through workshops, studio mentoring, live projects with industry mentors, international competition mentoring by distinguished professionals, seminars, and networking events, students gain insights into current trends, best practices, and career pathways. Additionally, strategic Memorandums of Understanding (MOUs) with prominent organizations, providing access to internships, collaborative projects, and research opportunities.

INDUSTRY INTERACTIONS AND MOU

- Tata Institute of Social Sciences (TISS) & M. Arch Urban Design - to develop a joint study of M. East ward (2021) for (MCGM)
- TISS and Municipal Corporation of Greater Mumbai (MCGM) - “Mapping COVID testing Centres in all wards in MCGM”.
- Council Of Architecture - Two part FDP- 1) Aspiring Research , 2) Achieving Research.
- Mumbai Environmental Social Network (MESN) - Suggestion and objections on Navi Mumbai Draft DP2022-38
- Bombay 61 Studio - Research Writing webinar For Live and participatory mapping of Versova gaothan.
- Glass Academy Foundation –provided platform & opportunity to learn on the latest trends on Glass Architecture
- Solar Decathlon – Net Zero-Building Design projects designed by Students teams
- Godrej & Boyce Mfg. Co. Ltd.- Knowledge partners Net Zero-Building Design projects.
- Navjeet Infratech LLP - Project partners for Net Zero-Building Design projects.
- Shrydus Realty Pvt Limited - Project partners for Net Zero-Building Design projects
- Council on Tall Buildings & Urban Habitat (CTBUH_ India) – Mentorship, Knowledge Exchange, Industry Outreach at National & International Level, Project Collaborations
- M.Arch UD Sem 3 studio mentorship by Jawaharlal Nehru Port Authority Planning Department for design of Masterplan for upcoming JNPA township.

MESSAGE FROM PRINCIPAL

It brings me great joy to present the 2nd edition of Placement Brochure of School of Pharmacy, DY Patil University, Navi Mumbai, showcasing the achievements of our second batch of Bachelor of Pharmacy graduates. At the School of Pharmacy, we take pride in nurturing and preparing our students for the competitive landscape. Our graduates exhibit proficiency in their subject matter, possess refined soft skills, and demonstrate a commendable emotional quotient.

We have diligently equipped our students to meet the demands, goals, and expectations of the industry through a comprehensive curriculum that includes Industrial Visits, Industrial Mentorship, a certificate course in Artificial Intelligence, and an additional course on Universal Human Values. I am confident that our students will prove to be valuable assets to any forward-thinking organization.

I would like to emphasize that the graduates of DY Patil University School of Pharmacy are well-prepared to make significant contributions to a team, characterized by their strong work ethics and the ability to elevate organizations to global prominence. Your continued support is crucial, and I look forward to your ongoing patronage for DY Patil University School of Pharmacy.

Best regards,

- PROF. (DR.) RAKESH SOMANI

PRINCIPAL

MESSAGE FROM TRAINING AND PLACEMENT OFFICER

I am delighted to extend a warm welcome and introduce you to our esteemed B Pharmacy college in Navi Mumbai through the second edition of our Placement Brochure. Renowned for its exceptional academic standards, our college is a hub of both Co-Curricular and Extra Curricular activities, reflecting our commitment to the holistic development of each student. At our institution, we prioritize the delivery of top-notch education and training in the field of pharmaceutical sciences.

Our faculty members, highly qualified and experienced in their respective domains, are dedicated to imparting the latest knowledge and skills to our students. Our curriculum is meticulously crafted to offer a comprehensive understanding of the pharmaceutical industry and its best practices. With state-of-the-art infrastructure, including modern labs, classrooms, and a library, we adhere to the guidelines of PCI to provide an optimal learning environment. Forge valuable industry connections through our collaborations with various Pharmaceutical and related Organizations, which offer our students industry exposure, internship opportunities, and knowledge through enlightening Guest lectures. We take pride in creating an environment conducive to excellent learning, ensuring that our students acquire the skills and knowledge necessary to thrive as successful professionals. Our active placement cell is committed to assisting our students in securing job placements with reputable Pharmaceutical and related Organizations. I extend a heartfelt invitation to explore our college and join us in our pursuit of excellence.

Thank you.

Best regards,

MR. SWAPAN KUMAR KAR

INCHARGE - TRAINING & PLACEMENT CELL

VISION

To establish School of Pharmacy as the epicenter of **domain knowledge** and **human values** so as to create a healthy society.

MISSION

To achieve its vision, D Y Patil University School of Pharmacy aims:

- 1.To establish itself as the center of **quality education** and **industry-oriented training** in the field of Pharmaceutical Sciences.
- 2.To nurture and promote the spirit of **research, innovation** and **entrepreneurship**.
- 3.To **train soul, body and mind** of the students thereby making them sound and healthy Pharma professionals.

PROGRAM EDUCATION OBJECTIVES (PEO)

PEO1: Graduates with their professional knowledge and skillset are competent and successful in pharmaceutical and healthcare industry.

PEO2: Graduates pursue higher education in the field of pharmaceutical sciences/management.

PEO3: Graduates foster professional ethics to serve the society.

PEO4: Graduates bring about job opportunities through start-ups and Entrepreneurship.

KEY HIGHLIGHTS OF THE INSTITUTION

- ◆ **COLLABORATIONS WITH PHARMACEUTICAL INDUSTRIES**
- ◆ **ATTACHED HOSPITAL FOR PRACTICAL EXPERIENCE**
- ◆ **SIMULATION LABORATORY**
- ◆ **ASEPTIC LAB**
- ◆ **EDX ONLINE COURSE FOR CONTEMPORARY LEARNING**
- ◆ **REGULAR ENRICHMENT OF CURRICULUM**
- ◆ **DRIVES CELL FOR PROMOTION OF RESEARCH, INNOVATION & ENTREPRENEURSHIP**
- ◆ **LEARNING MANAGEMENT SYSTEM (LMS)**
- ◆ **CREDIT POINTS FOR PARTICIPATION INTO ACTIVITIES.**
- ◆ **PRACTICE QUIZ FOR GPAT ASPIRANTS**
- ◆ **PROGRAMME COMMITTEES FOR REGULAR INTERACTION OF STAKEHOLDERS**
- ◆ **MENTORSHIP FROM INDUSTRY EXPERTS**
- ◆ **PRECEPTOR SYSTEM**
- ◆ **STUDENT PROGRESS REPORT FOR REGULAR MONITORING**
- ◆ **THREE TIER MENTORSHIP FOR STUDENTS**

PROMINENT ACHIEVEMENTS

- ❖ Awarded with A++ Grade by NAAC
- ❖ Hem Value National Excellence Award by Hema Foundation

- ❖ IIC Ranking 3.5

WHY TO RECRUIT OUR STUDENT'S?

Pharmaceutical and related Organizations can benefit greatly by recruiting B. Pharm graduates from D Y Patil University. The reasons are:

➤ **Industry-Relevant Curriculum:**

The curriculum is designed to provide students with knowledge and skills required to excel in the pharmaceutical industry. This includes modules on drug design, formulation development, clinical trials, and regulatory affairs, making the students industry-ready.

➤ **Practical Experience:**

Institute provides practical training to students through its well-equipped laboratories and collaborations with various pharmaceutical companies. Students have the opportunity to work on research projects, gain hands-on experience in the formulation of drugs, and gain insights into the regulatory aspects of the industry.

➤ **Communication and Interpersonal Skills:**

The course emphasizes on communication and interpersonal skills. Students are encouraged to develop excellent communication skills and work collaboratively with their peers, which are essential skills in the industry.

➤ **Exposure to Current Industry Practices:**

The faculty members have relevant industry experience and provide students with exposure to current industry practices.

➤ **Ethical and Professional Standards:**

Students are taught the importance of ethical conduct and adherence to regulatory guidelines essential in the pharmaceutical industry.

ABOUT PLACEMENT CELL

The Training and Placement Cell in D Y Patil School of Pharmacy, nurtures students to be ready for industry, by bridging and narrowing the gap between Academics and Corporate.

We encourage students to participate in various events, informative seminars and workshops to bring awareness for their future plan.

Soft Skill development and Mock Interview Session

Sessions on Soft Skill development, SWOT analysis, Corporate etiquettes, Dress codes, Public speaking, Group discussion and Mock Interviews are conducted under CSR scheme.

Speaker & Trainer:

Mr. V. Kalyankumar from Barclay's Global Talent Track (GTT).

Supply Chain Management in Pharmaceutical Industries

The highlight of discussion:

What is supply chain Supply Chain Management / How essential it is in any production unit / Various Parties involved in Supply chain management / Various Staging Policies / Upstream and Downstream flows of materials, information and Finance / Engineer to Order, make to order, assemble to order, make to stock / Sales and operation planning process / Various roles in supply chain / Demand planning / Distribution planning / Production planning

Speaker:

Dr. Atul Kanyalkarr – Director, Supply Chain Management, Abbott India Limited

ABOUT PLACEMENT CELL

The Training and Placement Cell in D Y Patil School of Pharmacy, nurtures students to be ready for industry, by bridging and narrowing the gap between Academics and Corporate.

We encourage students to participate in various events, informative seminars and workshops to bring awareness for their future plan.

Soft Skill development and Mock Interview Session

2 days Skill development program & Corporate readiness training on 31st August and 1st September 2023, on Personality Development and Public Speaking, Importance of punctuality in the corporate world, Group Discussions, Resume - do's and don'ts, Email Writing - do's and don'ts.

Speaker & Trainer:

Ms. Ponnammal Subhramaniam -Soft Skill Trainer from Barclay's GTT.

ABOUT PLACEMENT CELL

Career Guidance & opportunities after B Pharm

The highlight of discussion:

- a) Higher Studies in various Pharmacy related subjects in India and Abroad.
- b) Various Job that a Pharmacy Graduate / Post-Graduates can opt for, like Production, QA, QC, R & D, F & D, Sales and Marketing, Govt. Hospital Pharmacy, Pvt. Hospital Pharmacy, Community Pharmacy, Pharmacist in CGHS Hospitals, Clinical Pharmacist, In Pharmacovigilance, Medical Writing, as Drug Inspectors in State FDA, in Central Drug Testing Labs, and many more.
- c) Also after doing Masters, one can join in Academics but time will come when PhD will be the bench mark for entry in Academics as a Faculty.

Speaker:

Mr. Ram Banarse - Ex Assistant Commissioner, FDA-Maharashtra.

JOB OPPORTUNITIES FOR B PHARM STUDENTS

B Pharm graduates gets various job opportunities in various sectors

The Pharmaceutical industry is one of the top employers of B Pharm graduates, providing roles in.....

- ✓ Research and development
- ✓ Manufacturing & Packaging
- ✓ Quality control & Quality Assurance

Pharmacy Graduates can also explore their careers in.....

- ✓ Regulatory affairs
- ✓ Pharmacovigilance
- ✓ Clinical Data Management
- ✓ Medical writing
- ✓ Drug Marketing, and Sales

In Hospitals and Healthcare Centres, B Pharm graduates can opt for roles such as.....

- ✓ Community Pharmacists
- ✓ Hospital Pharmacist
- ✓ Pharmacy Managers

Starting own Pharmacy business in the healthcare sector is also a possibility for a Pharmacy Graduates. The field of pharmacy offers excellent growth opportunities for B Pharm graduates. With a strong foundation in pharmacy, B Pharm graduates can choose from a wide range of career paths.

PLACEMENT REPORT 2023-2024

M.Sc in Tourism Studies B.Sc in Hospitality Studies

B.Sc in Culinary Studies

“ EGO IS DEATH OF LIFE
& DEATH OF EGO IS LIFE ”

Padmashree Recipient Dr. D. Y. Patil

Founder Chancellor

DY Patil Group, India

The former Governor of Bihar, Tripura & West Bengal and recipient of the prestigious Padmashree Award, Dr. D. Y. Patil is a well-known educationist and philanthropist. He strongly believed that youth in India needed a greater platform that offered multiple opportunities to educate themselves across geographies. He envisioned the goal of spreading education across the length and breadth of India and started the journey with the first engineering college called Ramrao Adik Institute of Technology (RAIT) in Navi Mumbai in the year 1983. There has been no turning back since with the DY Patil Group taking giant leaps in the fields of education, healthcare & sports under his mentorship.

Dr. Vijay D. Patil

Chancellor & President
DY Patil Deemed to be University, Navi Mumbai

Dr. Vijay D. Patil is an Indian Educationist, Philanthropist, and Sportsman. He has been relentlessly working on crafting an extraordinary transformation of the Indian education ecosystem as he envisions India to be a global destination for education in the years to come. From a very young age he knew the importance of education and sports in his life. With his vision for the future of Indian youth he has founded several educational institutes in India and forever changed the standard of sports. He believes in the mind, body and soul transformation of the individual for a better society.

Mrs. Shivani Vijay Patil

Pro Chancellor & Vice President
DY Patil Deemed to be University, Navi Mumbai

The guiding force that spearheads growth at the DY Patil Group, Mrs. Shivani Patil's unmatched passion towards the group's initiatives and larger goals has helped scale new heights. The driving force behind the flourishing culture, Mrs. Patil has ensured that each member of the team at the DY Patil Group is aligned with and equipped to contribute to the larger vision making their experience with the group a fulfilling and thriving professional journey. She leads key parts of the group's strategic trajectory making the vision focused on delivering a top-notch educational experience, a reality and helping build the DY Patil Group into an inspirational institution to be associated with.

Director's Message

Ms. Pallavi Chaudhari

Director,
School of Hospitality and Tourism Studies

I feel that a blend of Industry and academics is a must in order to impart wholesome education. Scholastic deliverance is essential and when it is clubbed with professional expertise it lays the foundation of creating a thorough professional, who gets absorbed easily in the industry. At School of Hospitality and Tourism Studies, we are committed to developing young people into knowledgeable, skilled and confident professionals who can make a valuable contribution to the Hospitality industry. Our success in ensuring 100% placement opportunities for the batch of 2023-24 was possible, thanks to the continuous support and involvement of our industry leaders and valued alumni.

I would like to express my sincere gratitude to our esteemed placement partners for recognizing the talent of our students and for offering them rewarding opportunities for internship. This reaffirms our conviction that a talented pool of students, faculty and staff can work together to achieve the desired outcomes in terms of producing talent that is ready to enter the Hospitality industry.

ABOUT SHTS

DY Patil Deemed to be University School of Hospitality & Tourism Studies offers a variety of courses across all disciplines of Hospitality and Tourism. These courses are designed in accordance with contemporary academic requirements and industry standards. The college also offers courses through International tie-ups and industry associations. These courses provide the students with a cutting edge and prepare them to take the industry head-on.

Post Graduate Program

M.Sc in Tourism Studies

M.Sc in Tourism Studies is a two-year course that focuses on the tourism sector. Our curriculum encourages a broad exploration of the design practice with an emphasis on user-centered approach and design thinking and beyond. We enable our students to develop critical, technical and managerial skills that align with the contemporary conversation within the industry also Entrepreneurial thinking for self-development by aligning with thought leaders in the industry.

Under Graduate Program

B.Sc Culinary Studies

The demand for exacting and well-educated chefs continues to grow, as the hospitality industry soars in India. Culinary school graduates work in restaurants, hotels, and air-flight kitchens.

The BSc in Culinary Studies is a 3-year program that encompasses 2 years of classroom studies and practicals and 1 year of paid internship in leading 5-star hotels across India. We are focused on ensuring our graduates leave us with a complete range of culinary skills which will enable them to adapt to any environment where food really matters, and to present themselves as highly skilled and inspirational chefs, with exciting career prospects ahead of them.

B.Sc Hospitality Studies

Thriving tourism, and heightened food awareness among locals, are turning attention toward epicurean excellence, creating employment opportunities for Hospitality students. The BSc in Hospitality Studies is a 3-year program that encompasses 2.6 years of classroom studies and practicals and 6 months of paid internship in leading 5-star hotels across India.

From the Desk of Training & Placement Coordinator

Mr. Kishore Mhaske
Assistant Professor

Dynamic and result oriented professional offering experience in Hospitality Industry across Operations, Guest Relationship Management, Quality Management and Training, current functioning as HOD – Front Office with D Y Patil University School of Hospitality and Tourism Studies Navi Mumbai. Internships offer students first-hand experience in what a career would be like in the hospitality industry through exposure to various areas of a Hotel or a resort. Students are sent to the best of hotels in and around Mumbai for internship. Also, Interning abroad is more than just a great way to get a step up over your competition in the industry and gain a feel for what management level positions will be like. Travelling abroad also presents the opportunity to experience whole new cultures and adventures, giving you new friends and memories that will last a lifetime.

TRAINING & PLACEMENT CELL

The Training and Placement cell is committed to mobilize the resources for imparting quality training to equip the student to their excellence. To make the students aware about the corporate culture and career opportunities by organizing workshops, seminars and industrial trainings by experienced personnel from the Industry. To partner with renowned organizations from the Industry and organize recruitment drives for our students within and outside the campus.

The Training and Placement Department organizes recruiting events on and off campus for large number of reputed organizations each year, including Morgan Stanley, JP Morgan Chase, Reliance Jio, TCS, Lnt Infotech, Amazon, Cisco, Bank of America, HCL Tech, Tech-Mahindra, Atos india, Indian navy, Schneider-Electric and the list is endless. The recruitment year kicks off towards the start of the final year, when companies descend upon RAIT to make pre-placement presentations about their organizations as well as to recruit the students.

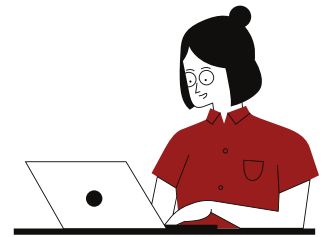

CAMPUS RECRUITMENT TRAINING (CRT) :

Aptitude Training

- 100 Practice Aptitude Test & 2 Technical domain test.
- 180 Hrs of classroom sessions

With Blessings from

Dr. D. Y. Patil
Founder, D Y Patil Group, India

“Ego is the death of life, death of ego is real life.
If you follow this principle in life, you are bound to succeed.”
- Dr. D. Y. Patil

Merit can only be achieved through Excellence

From the Chancellor's Desk

The youth of today have a lot of promise and potential. It is this potential that needs to be converted into concrete action for India's smooth progress this millennium. Education is the most important tool to achieve this. It is the initiative in education along with progress in healthcare that will bring about transformation in the country today. The education environment is transforming into a digital village.

With the increasing number of talented students who join the University each year, we look forward to becoming a world class university and creating a distinctive position for ourselves and make their mark in the corporate world. It is our Founder's Dream to see youth steer this nation on the path of progress by using the power of knowledge as their strongest tool. It is our responsibility as educated citizens of India to spread the light, the light of knowledge.

We are sure that your experience at the School of Management, D. Y. Patil Deemed to be University will be fruitful and delightful one. We look forward to a long lasting association with your organization.

Dr. Vijay D. Patil, Chancellor,
DY Patil Deemed to be University, Navi Mumbai
President, DY Patil Sports Academy, Navi Mumbai

From the Board of Management's Desk

The D. Y. Patil Group is a pioneer in the field of higher learning. Our mission, to advance new ideas and promote enduring knowledge, has created excellent academic learning. We strive to create an environment in which outstanding students and scholars from around the world are continuously challenged and inspired to do their best possible work.

Through the D. Y. Patil League of Colleges, we encourage students to push the limits of their minds. Because, we believe that's what gives them the cutting edge. Today, we can say with pride that our students aren't just intelligent, they are sharp - razor sharp. Sharp enough to understand, that in the final tally, profits come from building on value.

The School of Management is a feather in the cap of the D. Y. Patil Deemed to be University and one of the fastest growing B-Schools both in terms of reputation and size. Our teaching methods, guest lectures, industrial visits, live projects and research give us an edge over the other management institutes in the region. Our task is basically knowledge creation and dissemination. And we continue to do it by offering inspired, committed and value based professionals. We would like to extend a warm welcome to you. We are sure that the students we recruit will prove to be a great asset to the society at large.

Dr. Ajeenkya D Y Patil
Board of Management, D. Y. Patil Deemed to be University, Navi Mumbai.
Chairman & Managing Director, D.Y.Patil Group,
Belapur Navi Mumbai & Lohegaon - Pune.
President, Ajeenkya D. Y. Patil University , Lohegaon Pune.
Honorary Consul, Republic of Guyana.

From the Vice-Chancellor's Desk

Greetings from D.Y. Patil Deemed to be University, Navi Mumbai !!!

The Focus of our University is 'Learner Centric'. Today our endeavor is to prepare the students for life and careers in a rapidly changing world. Technology has given us many options for real-time and virtual interaction through various mobile devices. Our University also has a customized learning management platform called 'My DY' which is an open digital online platform where students and faculty interact with one another. The students also experience engaging learning, training, coaching and mentoring sessions from the best, brightest and highly qualified faculty in the University through webinars, webcast and video conferencing in the Virtual Classrooms.

The University has a reputation of providing high quality academic teaching and training and has received 'A' grade which is the highest grade by 'National Assessment & Accreditation Council' (NAAC).

Best wishes to all the Students and faculty for the academic year.

Dr. Shirish Patil, Vice Chancellor
D. Y. Patil Deemed to be University, Nerul, Navi Mumbai.

From the Director's Desk

Greetings from D.Y. Patil Deemed to be University School of Management, CBD Belapur, Navi Mumbai !!!

"D.Y. Patil University School of Management is one of the leading School in this entire family of D.Y. Patil Group of Institution. The Director and the faculties believe that the students are the main pillars of this organization. And to that extent therefore we do everything to ensure that our students are satisfied, they achieve what they want in life. We do ensure even the average student that joins our college becomes a super average student of ours. And my personal motto has always been that every student of mine has to be a success student".

Prof. Dr. R. Gopal
Director, Head of the Department and Former Dean,
D. Y. Patil Deemed to be University,
School of Management,
Navi Mumbai.

From the Dean's Desk

Greetings from D.Y. Patil Deemed to be University School of Management, CBD Belapur, Navi Mumbai !!!

We at D.Y. PATIL UNIVERSITY SCHOOL OF MANAGEMENT offer 26 Industry-oriented programs. We teach various aspects related to the industry through case studies. We take many industry related cases and then we ask the students to discuss them in a group and come up with practical solutions which will address the issues faced by various organizations.

Dr. Vani Kamath

Dean,
D.Y. Patil Deemed to be University,
School of Management,
Navi Mumbai.

Core Values of DYPUSM

'Know thyself'

VISION

- To Become First Among Equals in the Service of Humanity through Education.

MISSION

- To provide quality education and skill development in all spheres of higher learning.
- To engage in quality research, innovation and application of knowledge for development of faculty and community.
- To develop professional human resources in health sciences and in other areas required for nation building.
- To put in place dynamic techno-structure for effective use of information and communication technology in curriculum development, pedagogy and in system management.
- To create learner-centric ecosystem and support to develop all round personality of learner.
- To develop symbiotic relations with industry and other academic and research institutions to meet the expectations of various stakeholders.

GOALS

- To ensure that the School is amongst the TOP 50 B Schools in India in the next 5 years i.e by 2020.

OBJECTIVES OF DYPUSM

EVERY STUDENT OF DYPUSM WILL CREATE A SUCCESS STORY

- To impart contemporary knowledge to our students through State of art Pedagogical tools and ICT based teaching learning methodologies.
- To prepare our students for a challenging career in industry, trade and commerce as managers, leaders and responsible corporate citizens in all walks of life.
- To evolve the spirit of entrepreneurship and assist them in their ventures.
- To develop our students as potential teachers of high quality for higher education institutes.
- To create a conducive learning ambience.
- To nurture intellectual capital for nation building.
- To build growth engines so as to provide sustainable competitiveness.

'Excellence Today For a Better Tomorrow'

Knowledge is Supreme

The School

DYPUSM has been established with an aim to provide quality management education fulfilling the needs of the corporate world. The School conducts BBA & MBA programs along with M. Phil and Ph. D. It is located very close to the industrial belt of Navi Mumbai which is centrally located between the main city of Mumbai and Pune.

The learning ambience at DYPUSM provides ample opportunities to our students for enhancing managerial skills and to develop one's personality for a challenging future. The BBA & MBA graduate of the future will need to exhibit the abilities both to make theory come alive in the marketplace and to generalize from the specifics of real life action.

At DYPUSM, the experimental, interactive program design involves students, faculty members and industry leaders and thus the students are able to meet the challenges.

Infrastructure

The Library: Fully Air-Conditioned Library equipped with more than 7000 titles and 8000 volumes, 15000 Pro-Quest Database (e-Journals). The library has many books covering a wide range of disciplines of academic and non-academic interest. There are 66 periodicals, which include newspapers, magazines and international journals. There are about 360 e-resources in the form of CDs and DVDs.

The Classrooms: All the class rooms are fully air-conditioned and equipped with LCD, OHP and Computers to facilitate effective learning. The Classrooms are designed to promote maximum interaction between the faculty and students.

The Computer Lab: The Computer Lab is fully air-conditioned with more than 300 personal computers and with 24 hour internet facilities, printers and scanners; to help students develop their technical skills more productively. The students can avail database packages like CMIE Packages and Statistical Packages like SPSS, IBID etc.

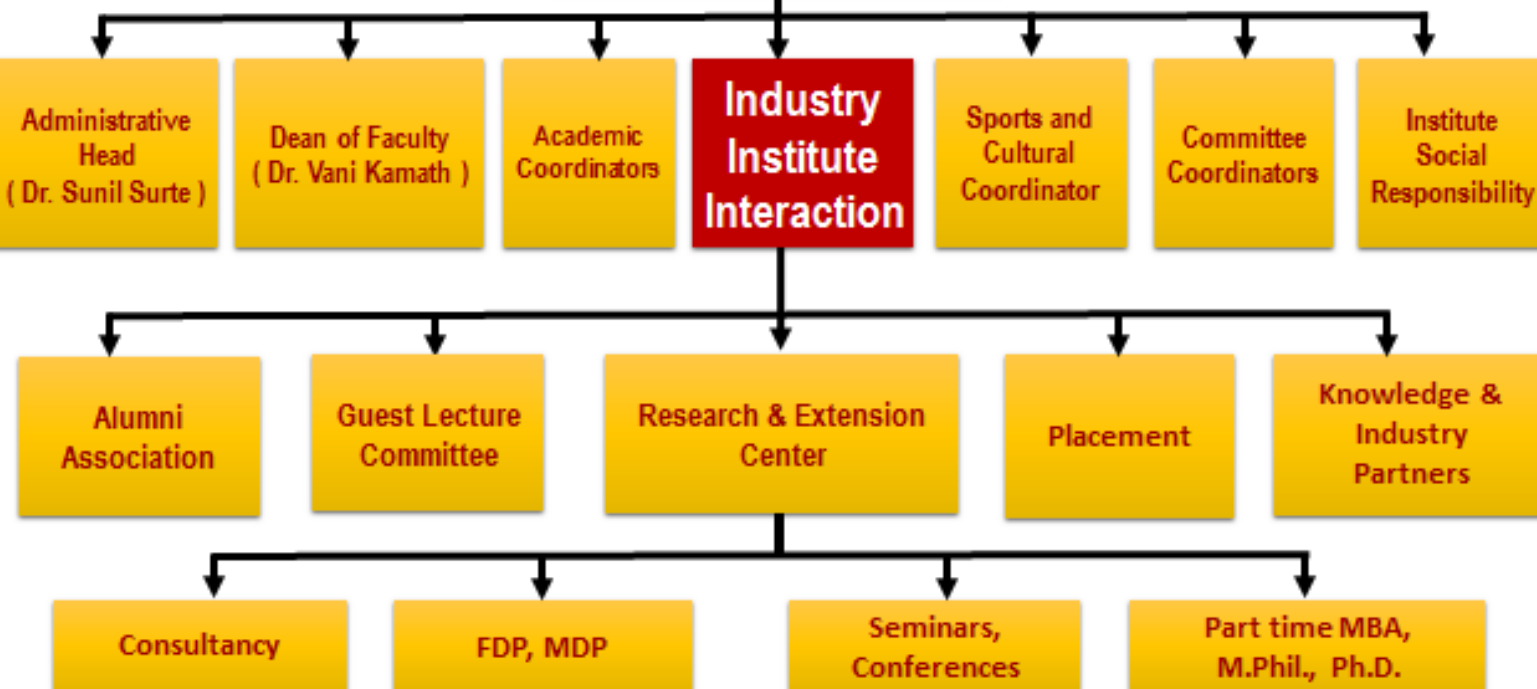

The Auditorium: The University has a 1000 seated auditorium equipped to handle the needs of a progressive university.

The Conference Hall : The School has a spacious state of the art conference hall which provides an ideal seating for many a thought provoking seminar, presentations, guest lectures and lectures as well as executive development programs.

THE ORGANIZATION STRUCTURE

Director (Dr. R Gopal)

Alumni Speaks

"DY Patil School of Management has indeed provided me a 'foundation to flourish' and a 'platform to perform' in the education sector across our nation. My two years of MBA here reminds me of brilliant faculty members who have nurtured me not just in academics, but with exceptional life skills. The unique course curriculum of this school has made me fearlessly gear up for facing the changing complexities of national and international business dynamics with utmost ease. The infrastructure and the overall ecosystem of our business school under the dynamic leadership of our beloved Director, Prof. Dr. R. Gopal Sir has made me transform into one of the youngest leaders in the education sector across our nation. I am extremely confident and upbeat in leading the education reforms of our nation in the years to come due to the grooming at my alma mater. On behalf of my entire first batch of MBA students, I whole-heartedly thank the founders of DY Patil University - Respected Hon. Shri DY Patil Sir, Dr. Vijay Patil Sir & Dr. Ajinkya Patil Sir for creating such a world class University & the School of Management."

Mr. Shrenik Kotecha

Business Director/ Chairman & Trustee/ Director, CPLC

MT Educare Ltd Global Education Trust. Chairman & Trustee

Mahesh PU Colleges

Batch-2003-2005

"I was just one of the students when I joined D.Y. Patil Institute of Management studies in 2005, when I left in 2007 I was metamorphosized to take on the world & not just the corporate jungle. The faculty & teaching pedagogy ensured it brought out the best in me. We were part of first batch to take annual events to new high thanks to support of faculty, director, admin and support staff. They are simply amazing and this is where my understanding increased manifold. As representative of students I was able to hone my leadership skill to a great extent. Best part was getting campus placed in management consulting firm which was my dream job. DYPIMS is my second home where I like coming back again and again and again...!! "

Best Regards,

Shirish Bhakare

Sales trainer

Mercedes Benze

Batch-2005-2007

At DYP, it's about transformation. It not only imparts knowledge, but reinforces in us the spirit of creative action. Those two years here at DYP have been a real learning experience & have in many ways, made me industry ready. Here we suddenly discover that we are capable of so much more than we had given ourselves to believe. Remember, "If you have the will, the rest will follow. Always keep it burning".

**Best Regards,
Nirav Mody
Senior Process Associate
Tata Consultancy Services
Batch-2006-2008**

Life in DYPUSM was breath taking and enriching, the environment not only helped me in imbibing knowledge but my overall personality and fuelling confidence. The college has achieved excellence in imparting good education with prime focus on holistic learning and inculcating competitive abilities in students which has helped me shape myself immensely. My sincere thanks and heart felt gratitude to Dr R Gopal, to all my faculty members. I am carrying along with me beautiful memories of this place and will cherish them forever. Thanks to the entire DYPUSM fraternity to make the journey so pleasant...

**Best Regards,
Kavitha Jayshankar,
Corporate business Partner
HDFC Bank
Batch-2012-2014**

"Throughout my two years of MBA, I had countless opportunities to develop myself as a leader with sharp analytical skills and proactive thinking through various programs and events. These attributes were the key reasons because of which I am successfully placed in the Product Management team of Wockhardt Pharma and growing. It has a great atmosphere to learn between teachers and students. Big thanks to all my faculties who have molded me. Also thanks to the supporting staff of our college. Thanks to everyone at DYPDBM who made my learning journey fabulous".

**Best Regards,
Chetan Nirmalkar
Sr Product Manager
Dr Reddy's Laboratories
Batch-2009-2011**

DYPUSMSomething very close to my heart..!!! A Place which developed me in 360 Degree during the magnificent two years of my Life. Even after I have passed out and am working in a number 4 shipping line in the Globe, this school offered me an opportunity to keep my dream alive of Teaching - Yes I am a part time faculty guiding my passionate juniors in the same way I was guided to best of my life by my coordinators.

- Prepares effective professionals out of students
- Helps students master the skills in less time
- Hands-on learning makes more interest and fun
- Prepare for real-world jobs with the skills employers want
- Access to our Learning Experience
- Platform with related digital resources available for students at beginner, intermediate and advanced levels
- Improve college's placement rate
- Get more campus drive invitations

PROGRAMS OFFERED

Undergraduate Courses:

Sr. No.	Course Name
1.	B. Tech Biotechnology
2.	B. Tech Bioinformatics & Data Science
3.	B. Tech Food Science & Technology

Postgraduate Courses:

Sr. No.	Course Name
1.	MSc. Biotechnology
2.	MSc. Genetic Engineering
3.	MSc. Bioinformatics
4.	MSc. Food Science & Technology
5.	MSc. Industrial Microbiology
6.	MSc. Integrated Biotechnology

INFRASTRUCTURE

Biotechnology Laboratories:

The School hosts twelve well equipped and maintained laboratories for carrying out research work as well as routine practical. Departmental Biosafety Committee ensures the safety of students and researchers according to the guidelines provided by the School of Biotechnology (DBT), Government of India. The School is also looking forward to the establishment of Institutional Ethical Committee to conduct research. Streamlined functioning, maintenance of equipment, timely ordering and procurement of chemicals and excellent laboratory support staff is a back bone of the research culture of the department. Other than the Central Instrumentation Laboratory, each laboratory is equipped with laminar air flow, cooling high speed centrifuge, electrophoresis units, pH meters, colorimeters, precision balance, incubators, auto claves, ovens and refrigerators.

CENTRAL INSTRUMENTATION

LAB

Central Instrumentation Laboratory:

The School has established Central Instrumentation Laboratory to facilitate research as well as routine practical. The laboratory harbors state of the art indigenous and imported analytical instruments like Sorval C90 Ultra Centrifuge, used here for the Isolation of sub cellular organelles and macro molecules.

Waters Gradient High Pressure Liquid Chromatography (HPLC): Used here for analysis of anti oxidants and anti microbial molecules from plant extracts.

Chemito Atomic Absorption Spectrophotometer (AAS): Used here for estimation of heavy metals from water bodies and industrial effluents.

Chemito Gas Chromatography (GC): Used here for quantification of pesticide residues from fruits, vegetables, grains and processed food products.

Super Hit Rotary Vacuum Digital Bath: Used here for concentrating bio active compounds from various plant extracts. Bio-Rad Microplate reader: Used here for cell proliferation studies and immunological assays like ELISA.

UV Visible Spectrophotometer: Used here for various biochemical assays such as quantification of macromolecules. Bio-Rad Biological Duo Flow System: Used here to separate and purify protein and other polymers from complex systems

Promega DNA/RNA/Protein Isolation System: Used for DNA/RNA isolation and protein extraction and purification.

Syngene Gel Documentation Unit: Used for documentation and analysis of protein and nucleic acid gels Thermocycler: Used for the amplification of gene

Other equipments in the central Instrumentation facility include: Microprocessor based Cold Chamber, Deep Freezer(-60o C, -20 o C), Laminar Flow, Ultra filtration unit etc.

PLANT TISSUE

CULTURE LAB

Plant Tissue Culture Laboratory.

The School houses a well established plant tissue culture laboratory. The lab facilities include horizontal laminar flow for explants inoculation and controlled photoperiod and incubation room for culturing plant tissues. The lab is engaged in research on the conservation of endangered plants from Western Ghats, DNA barcoding and phytoremediation of textile dyes.

ANIMAL TISSUE

CULTURE LAB

Animal Tissue Culture Laboratory.

Animal tissue culture lab is a complete setup for routine culture and maintenance of normal and transformed cell lines. Culture work is carried out in type II Biosafety cabinets with provision for incubation in CO₂ atmosphere. Monitoring of cell growth and morphology is carried out regularly using inverted microscope. The lab also has facilities for long term preservation of cell lines and other biological samples in liquid nitrogen (cryopreservation). The lab is engaged in the establishment of human keratinocyte culture for transplantation to burn patients at Dr. DY Patil Hospital and Research center, Nerul. Work is also underway on the role of antioxidants in ameliorating the toxicity of anticancer drugs. The lab also maintains an independent research unit for doctoral students that houses a benchtop bioreactor for scale up studies.

FOOD SCIENCE RESEARCH LAB

Food Science Laboratory:

The department is well equipped with state-of-the-art laboratory specialising in Food science and technology. The lab consists of two sections- Food Analysis lab & Food Processing lab.

BIOINFORMATICS LAB

Bioinformatics Laboratory:

SGI Workstation:

The department is one of the pioneers in India with SGI Onyx and fuel systems which are used for carrying out studies at molecular level.

Bioinformatics Infrastructure:

The department has a large collection of Bioinformatics software packages, like Accelrys Discovery studio, CLC Bio, AutoDock, SPSS, Matlab, Hex, ArgusLab, Dock6, to name a few, which are extensively used in research, training students and analyzing biological data.

The computer laboratory has more than 150 Pentium Core-2 Duo processors capable of handling advanced bioinformatics software and molecular graphics in silicon biology. The computer laboratory also has IBM Microsoft Windows NT Servers. The computational infrastructure with Internet connectivity is available to the students from 7:30 am to 7:00 pm on all days (except holidays) throughout the week.

COURSE SKILL SETS

UNDERGRADUATE COURSES

B. Tech Biotechnology:

Critical Thinking, Course related Technical knowledge of areas like-Microbiology, Bioprocess Technology, r-DNA Technology, ATC, PTC Research Aptitude.

B. Tech Food Science & Technology:

Critical thinking, analytical skills, Knowledge of food chemistry, microbiology, food processing, packaging and storage, Nutrigenomics, regulatory issues.

B. Tech Bioinformatics & Data Science:

Innovative, critical thinking skills and problem solving abilities, knowledge of database analysis and development, algorithm development, digital image processing and embedded systems

COURSE SKILL SETS

POSTGRADUATE COURSES

MSc Biotechnology:

Critical Thinking, Course related advanced Technical knowledge areas like-Microbiology, Bioprocess Technology, R DNA Technology, ATC, PTC, Research Aptitude

MSc Genetic Engineering:

Knowledge and use of molecular and genetic tools used to modify genetic material and organisms to produce desired products, Critical Thinking, Research Aptitude

MSc Food Science & Technology:

Knowledge of core food technology concepts like food chemistry, Microbiology, processing, packaging, storage and regulatory issues, Critical Thinking, Research Aptitude

MSc Bioinformatics:

Hands on experience in various aspects of acquiring skills for Sequencing techniques, Big data analysis, Data management, Research Analysts, Analysis of the Biological data from various databases.

Training Programs conducted in AY 2023-24

Career Counseling Lecture series (CCLS)

1

CCLS 1- CSIR NET -Life Sciences Guidance lecture
by - Mr. Omkar Lele, Assistant Professor,
SBB,DYPUNM

2

CCLS 2 - GATE - Graduate Aptitude Test
Examination guidance by - DR. Pratil Pawar,
Assistant Professor, SBB, DYPUNM

3

CCLS- 3- Foreign Study Examination guidance -
Sonam Jain, Edwise, Mumbai

4

CCLS 4 - Food Science -Competitive Examination
guidance- Dr. Sucheta Khuber, Assistant Professor,
SBB, DYPUNM

Training Programs conducted in AY 2023-24

Skill Development training programs

1

Soft skills training workshop- Campus to Corporate -and - Mock Interviews (Behavioral and Technical rounds)

2

2 Days- Food Safety management System Training – ISO awareness with HACCP

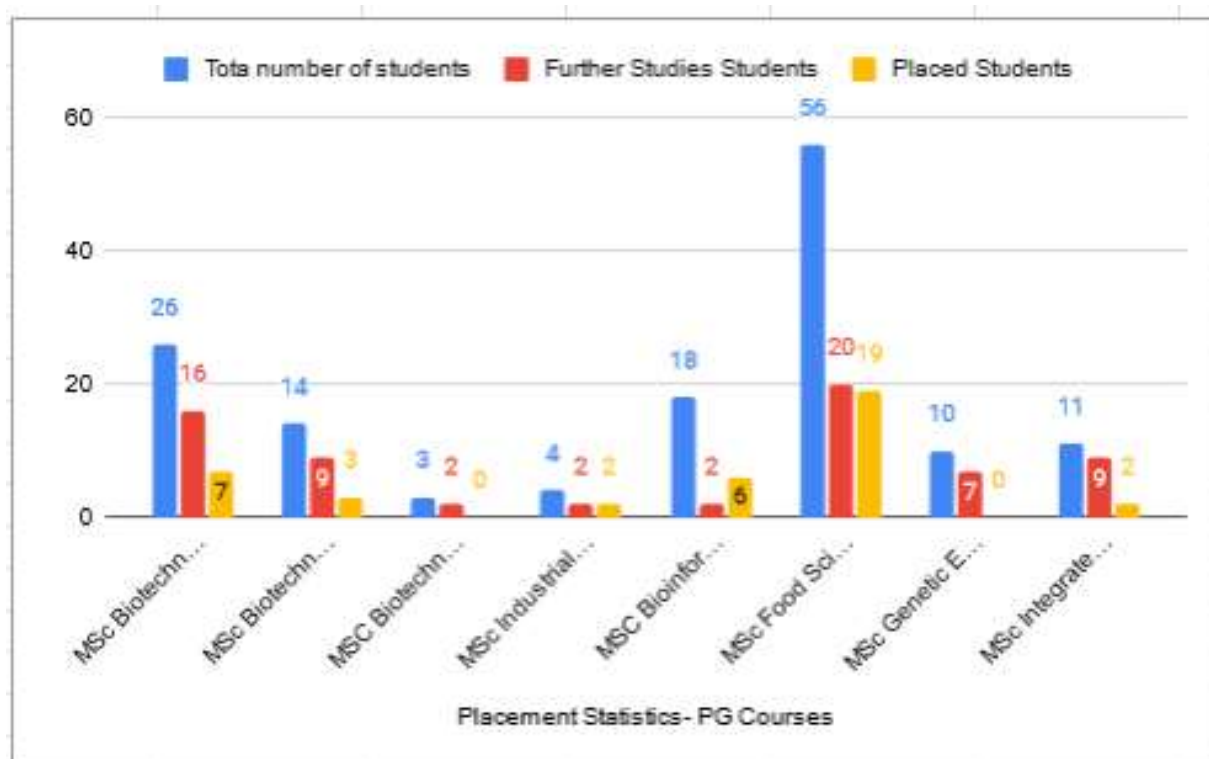

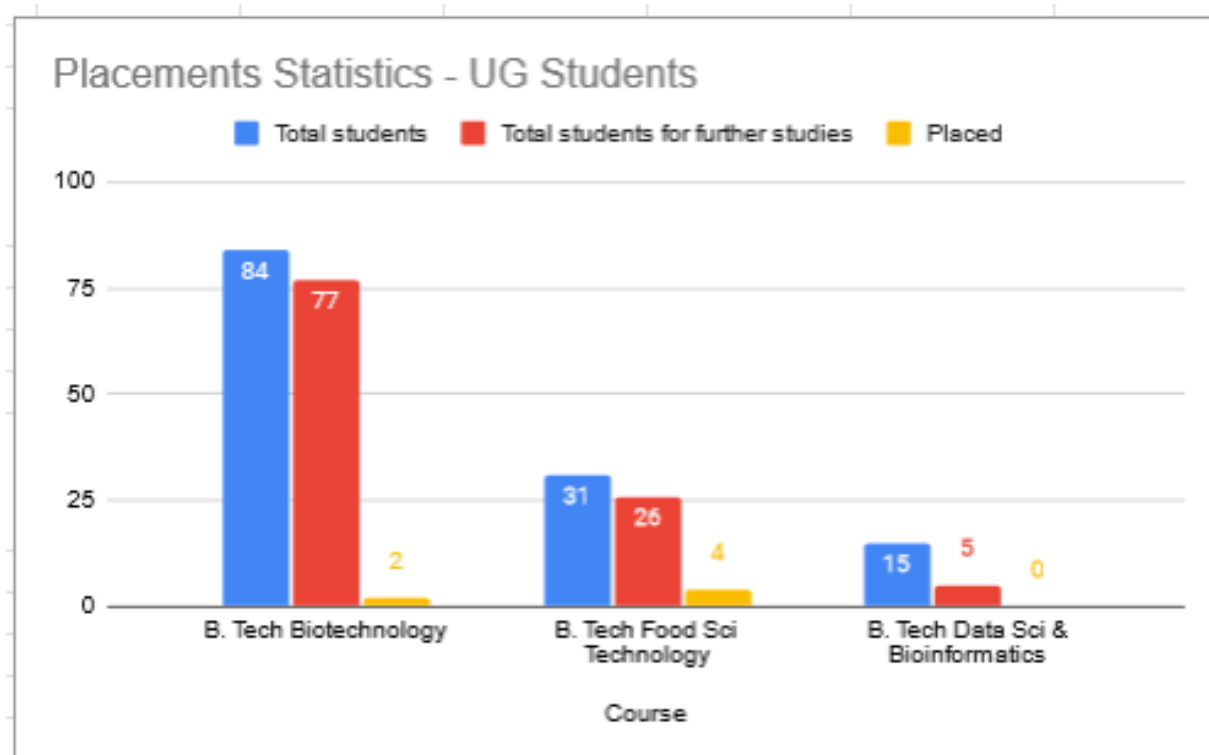

3

'2 Days Online Hands-On Workshop on INSILICO GENOME ANALYSIS TRAINING VARIANT ANALYSIS: RNA-Seq

4

Technical skill development workshop- 'Introduction to Biotechnology and Biopharma industries- Expectations and opportunities'

Placement Statistics –UG & PG – AY 2023-24

Currently placements are in progress
